Programs & Services

Kanopy Streaming
As of July 1, 2019, the Library will be providing video streaming through Kanopy, a company that partners with Libraries and Universities to provide over 30,000 films (5x more than the offering of Netflix) that resonate with people rather than just entertain. The ultimate goal being to inspire, challenge, and change perspectives. Kanopy is able to be streamed to patrons preferred devices with no fees and no commercials. The already diverse catalog has new titles added monthly, and has a newly launched kids page which is also dedicated to thoughtful entertainment, encouraging social and emotional development, respecting the community and inspiring creativity. To start, patrons will be set at a usage cap of 10 videos annually, which can be viewed several times during the “rental” – this figure can and will be readjusted as we are able to assess use rates. With Kanopy, patrons will never be put on hold for an item as there is unlimited access. Kanopy allows us to set an annual budget maximum to ensure no surprise overages. On top of all of these bonuses, Kanopy edits the interface for our patrons so that it is easy to use, they manage any issues, and they are very responsive to the needs of libraries. The world has already been streaming for many years, it is certainly past time to catch up to speed with patrons needs. We look forward to expanding our services, and heightening our video offerings with the use of Kanopy.

Southold Historical Society Museum Pass
The Library is now offering a family pass to the Southold Historical Society Museum which offers free admission for families to the Nautical Museum at Hortons Point Lighthouse, and the Maple Lane Museum Complex in Southold. The pass also offers 10% off to passholders at the museum gift shop.

• Mignon Osmer attended the Special Education Parent Teachers Association (SEPTA) at Cutchogue East Elementary School to discuss arranging for students grades K-3 & 4-6 to visit the library as a fall field trip; this service is in the initial planning phases.
• Mignon Osmer also attended the Author Discussion at the Cutchogue East Elementary School by Ann Braden, about her book The Benefits of being an Octopus.
• On Friday, June 7, Mignon Osmer, Kristie Korade, and Bonnie Zellner dressed up in Library summer reading theme, and presented at the Cutchogue East Elementary School to raise awareness, create enthusiasm, and recruit new library users for our Summer Reading Program. Darren Sardelli of Laugh-A-Lot Poetry presented to the students creating poems and rap songs with “space” words given to him by the audience.
• On Tuesday, June 11, Mignon Osmer and Children’s Librarians from the North Fork visited Head Start to offer on the spot library registration to the parents as they pick up their children; Mignon was able to sign up 5 families for Cutchogue Library cards. As a great form of outreach, we plan to take advantage of these opportunities as they arise.
