Local History – Our Lady of Ostrabrama 100th Anniversary Collaborative Project

Local History Librarian, Mariella Ostroski, and Emma Leaden are working collaboratively with Our Lady of Ostrabrama to create content celebrating the history of their 100-year-old establishment with a focus on the construction of their beautiful sanctuary. Every symbol within the church is a testament to the faith and dedication of a small group of Polish immigrants and the present parishioners. The most recent endeavor, in collaboration with Parishioner, Sue Stype, depicts the Our Lady of Ostrabrama's Stations of the Cross. Content will be posted to share findings. Please visit the Library Facebook www.facebook.com/CNSFL and the Library website for more local history information.
