

## *New Fines & Fees Policy*

**We are no longer charging fines for books, DVDs, magazines, audiobooks, CDs, or puzzles & games!**

We are happy to announce that we are now fine-free, effective immediately, for all normal library items. We will still have fines on special items, namely lawn games, museum passes, and tech devices.

**Happy Reading!**

**Lawn games, museum passes, and tech devices will be fined if they are not returned on or before their due date.**
