Who never to himself hath said,  
This is my own, my native land!

# Dedication

For eighteen years Coach Dorrie Jackson has faithfully served as the head football coach and athletic director of Greenport High School. Throughout the past seasons he has produced numerous championship teams and has helped establish Greenport as a football powerhouse. His teams have produced a fabulous won-lost record and in the '66 season he achieved the rare feat of winning his one-hundredth game. Coach Jackson has also displayed outstanding leadership over the years and has installed a winning desire in each boy who has played under him. As a tribute to Coach's tireless efforts to help all students, we, the class of 1967, would like to dedicate our yearbook to him and to his future success.

Sherry, Gary, Mrs. Jackson, and Coach, missing: Dorrie Jr.

# Board of Education

*MEMBERS OF THE BOARD:* Mr. William Pell III, Dr. George E. Cottral, Mr. Reginald B. Hudson, (Pres.), Dr. Arthur J. Goldin (V-P), Mr. Henry F. Hulse.

The diligent work performed by the Board of Education has been evident throughout the school. The primary addition has been the construction of four relocatable classrooms for the expansion of the Greenport School facilities. These buildings, which house the second and third grades, have greatly reduced the load of students in the main building. Another great step has been taken in the building of the language lab. With the aid of the latest electronic devices, Mr. Campbell and Miss Yates can work with and record the progress of students, in groups or individually at a much greater pace. In addition the third

floor received a new paint job over the summer vacation and a new set of lockers. This brightened up the school and student body considerably. The old lockers, scraped and repainted, now serve the junior high students on the second floor.

The Board of Education does not plan to stop here by any means. Future plans have been made for a new gymnasium and, eventually, for a new elementary school. We, the Class of '67, wish these men further success in their attempts to better Greenport's educational facilities.

Buildings A and B house the second grade classes of Mrs. Long and Mrs. Worrell. Facing them (unseen here) are the C and D complex serving the third grade classes of Mrs. Heaney and Mrs. Young. These self-contained classrooms with sink, lavatory, cloakrooms and storage facilities serve about 120 of our youngsters. The teachers and students find them not only functional but also attractive and homey. They are leased for three years with an option to buy.

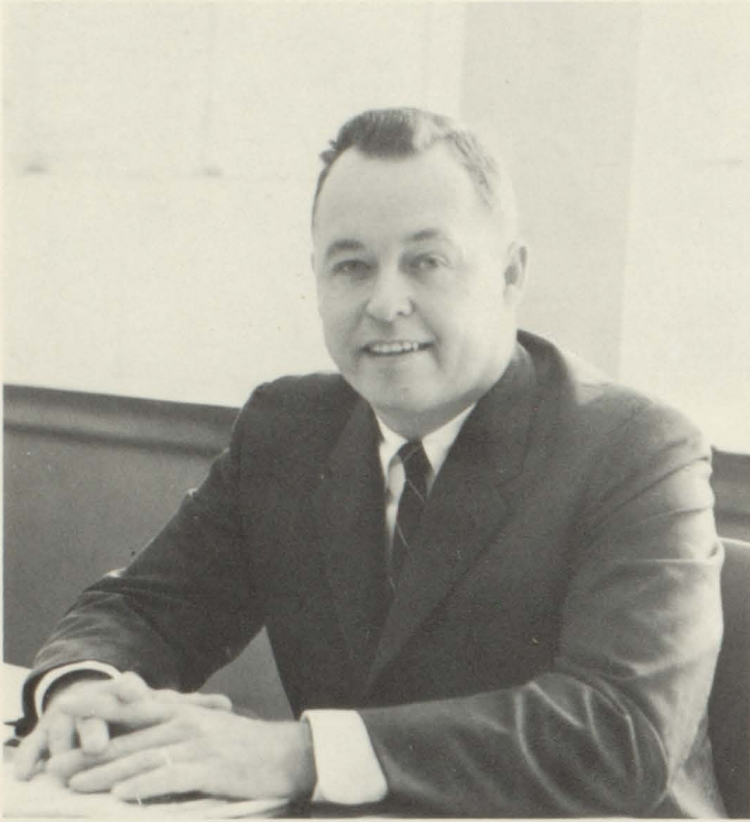

"I got this watch with Raleigh coupons."

# Administration

Supervising Principal  
Mr. A. Calvin Peterson

Since January 1, 1966, Mr. Peterson has taken over reign of G.H.S. We, the loyal subjects of the class of '67, would like to thank him for his support during this, our senior year, and wish him future success at Greenport.

Assistant Principal  
Mr. John S. Breads

Mr. Breads, G.H.S.'s newly appointed law enforcement agent, has been active this year in keeping the peace. While Mr. Breads takes care of disciplinary problems (which of course are very few), Mr. Peterson has more time to spend on the administrative end of his job. Both Mr. Peterson and Mr. Breads are doing an excellent job, and on behalf of the student body, we the class of '67 would like to thank these men for their services.

Mrs. Jones, Mrs. Morris, Mrs. Bubb, absent: Mrs. Martocchia

When we the Class of '67 started out as members of the kindergarten class of 1954, Mrs. Evelyn Brandi joined the Greenport faculty as a fifth grade teacher. In 1959 she became head of the Remedial Reading Program, working with grades 4-8, and it was at this time that she launched our class in the pen business, our first money-making enterprise. Her firm discipline, gentle teaching methods, and genuine interest in her students left a soft spot in the hearts of all of us.

Mrs. Brandi passed away on January 21, 1967. The faculty and student body join with us in honoring the memory of our teacher, Evelyn Brandi, and in extending our sympathies to her family, of whom she was so proud.

Mr. Richard Pemberton, better known as "Rip," retired on February 28, 1967 after twenty years of service in G.H.S. as a general mechanic (with an artist's touch). When the school was being built in 1932, Mr. Pemberton worked on its construction, and even with his retirement he still serves G.H.S.—as the new school policeman. Thanks, Rip, for many years of cheerful service! Good luck!

Hi, I'm Harold.

## Class

Hi there!

As we walked down that aisle for the last time, memories of past years flashed through our minds. Each of us was remembering the past four years and trying apprehensively to see into the future.

It all began four years ago in September. We climbed up that second set of stairs, this time to stay. We had made it at last. For the first time we elected our officers—Ed Copin, President; John Hanff, Vice-President; Bobby Heaney, Treasurer; and Diane Ship, Secretary. Soon we planned our first dance, "Leapin' Leprechaun." For the first time we were working together as a group and we kept our fingers crossed, hoping it would be a huge success. We were a little shaky at first, but soon we were all out dancing together in a gigantic circle and having a great time.

After a summer full of parties and lazy days at the beach, we returned to G.H.S. to begin our second year as high school students. First we re-elected Ed Copin and Diane Ship to their respective offices, with Bobby Heaney as Vice-President and Judy Cook as Treasurer. Then we started making plans for our Christmas dance, which we entitled, "Heaven's Holly." After a roving scavenger hunt, we finally succeeded in transforming the gym into a Christmas wonderland, complete with our very own angel. The hiring of the Royals made our dance complete, and although it set our treasury back a wee bit, we all had a wonderful time. The Spring dance, "Spring Wish," was our next big project. For this event we turned the gym into a beautiful azalea garden with flowers "borrowed" from property newly acquired by the school.

In 1965 we once again returned to G.H.S. This time we were the upperclassmen, and from the start we made our presence known to the "lower classes." It didn't take long for us to discover that our new status was accompanied by lots of hard work and many extra study hours. We again elected Ed Copin as President, to be assisted by Vice-President Hanff, Secretary Jester and Treasurer Cook. Before long ideas and planning were underway for our Halloween dance. As a result of another scavenger hunt, "Halloween a Go-Go" added another feather to our cap, and we eagerly began making plans for our Valentine dance. We named it "Cupid's Carrousel," and set out

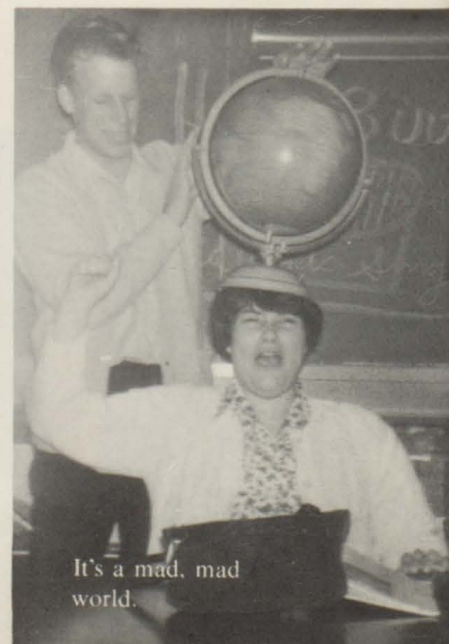

Look out, Craig. It's breaking!

Do you realize how long it took us to steal these signs?

Good home-cooking.

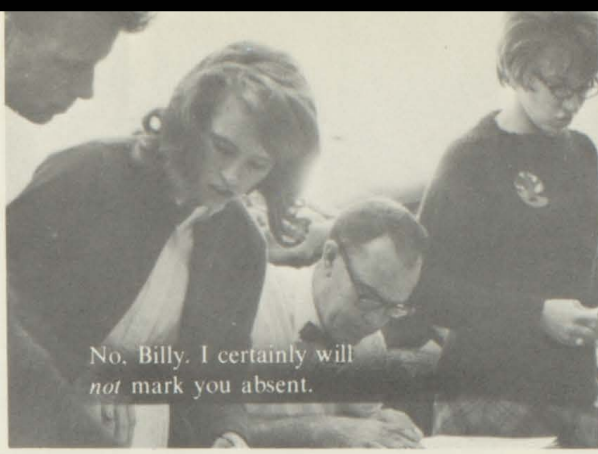

It's a mad, mad world.

Another "cultural" stretch!!

No, Billy. I certainly will *not* mark you absent.

Junior-Senior Playnight, 1966.

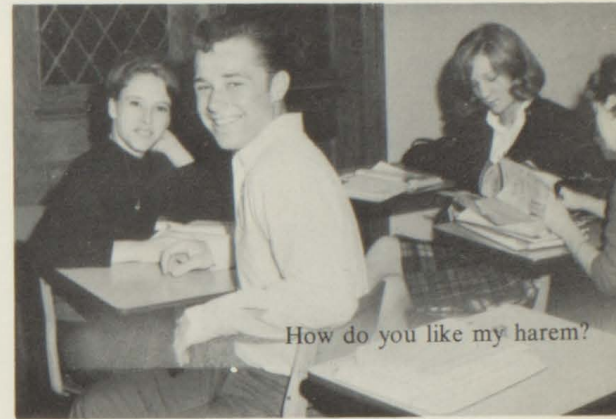

## History

to decorate the gym appropriately. Our wonderful carrousel collapsed before the night was through, but because it was Valentine's Day no one seemed to mind. In February we made our own tradition when we caused a major scandal (and almost a world war) by receiving our class rings before the reigning senior class went to Washington. Time flew by. Before we knew it, June was upon us and we were faced with the gigantic task of planning our prom, while studying for our Regents exams. Our exams were tough, but we got through just in time to put the finishing touches on our Oriental tea room, (in reality—the gym) and to thoroughly enjoy the last event of our Junior year.

After a carefree summer we returned to G.H.S., not quite believing we were at last the Great Ones. We were Seniors! It didn't take us long to adjust to the fact and start acting like Seniors. Actually our Senior year had begun in August when Maria Diaz called the first meeting for our magazine sale. For a while it looked as if we wouldn't get to Washington, but in the last few days, we all got busy and broke all previous records, topping last year's class by \$500. For our Senior year we re-elected the same officers who had run our Junior class so competently. Being Seniors also gave us the privilege of having the study hall for our homeroom and Mr. Vindigni for our advisor. We moved into the study hall as if it had been made especially for us, despite the (faint?) odor of Limburger cheese, trapped behind the radiator and the cluttered window sills, (lockers hadn't arrived).

As spring rolled around, acute cases of Senioritis became apparent, keeping Mr. Vindigni constantly on his toes. Our yearbook editors, approaching utter collapse, got the best Beachcomber yet off to the publisher and loafed delightedly through the Easter holidays that followed. In May, we once again changed tradition by going to Washington on Memorial Day weekend. This made wardrobe planning much easier and eliminated bulky winter coats. The weather was beautiful and we had a wonderful time.

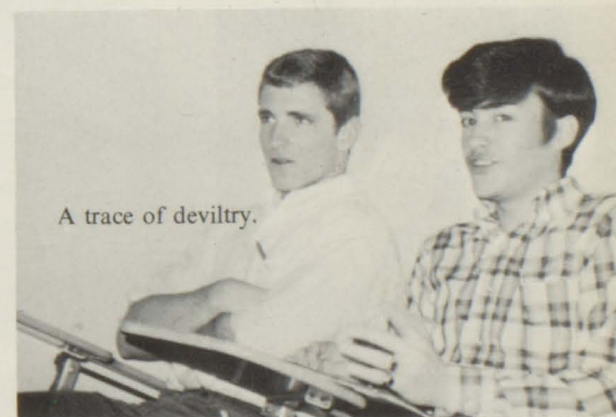

Which of us will succeed? Which of us will fulfill his dreams? Only time will tell.

## Officers

## Class of 1968

As the Chinese aptly put it, this was the "Year of the Toothbrush." The class of '68 cheerfully descended upon Greenport, East Marion, and Orient in the capacity of toothbrush salesmen, and politely told Avon Products and the Fuller Brush men to let the pros take over. The sales of brushes not only helped to make teeth whiter, but also added money for the Senior Washington trip.

For the restless of foot, the Juniors held the annual Halloween and Valentine dances. Everyone enjoyed themselves except the chaperons who, being of a different musical persuasion, had to suffer the "noise."

Presiding over the largest Junior Class in the history of Greenport High was its president, William Cooper. Lending Bill a valuable hand was

Bill Mueller, our vice-president. The girl always there with her pen and notebook was our secretary, Lorrinda Dimon. If a prize were to be given to a treasurer, it would be awarded to this year's "money hound," Karen Norkelun. The success of our student activities was due to the effort of these officers and their committees.

Delivery of our class rings a month earlier was appreciated by all. Presently, the class is eagerly working on our Junior-Senior Prom, which should prove to be a big success. We, the Class of '68, are looking forward to a busy, fun-filled summer and again returning to G.H.S. in the fall with the joy of being addressed as "Senior!"

# Football

Before the '66 football season began, the entire G.H.S. squad had dreams of becoming the top team in Eastern Suffolk. With only four players graduating from last year's formidable team, the G.H.S. eleven knew they possessed the experience and ability to achieve this honor. They worked tirelessly under Coach Jackson and were able to transfer this dream into reality.

The power-packed Oystermen outplayed their larger opponents throughout the year, including a heart-breaking 3-0 loss to Riverhead in the season's rain-swept finale. One of their outstanding games was played against arch rival Southampton. In this game Southampton was held to one first down and was overwhelmingly defeated 21-0.

This year's success was due to a tremendous team effort featuring an explosive offense along with an impenetrable defense. The offensive line was highlighted by the performances of guards John Hanff, an All-Suffolk selection, and Bob Heaney, a member of the Daily News All-Long Island team. The tackle positions were filled by Lionel Wilson, a repeater as an all-league selection, and Craig Richter. Kevin Laub did an admirable job at center while Chris Morey and John

Charters (another all-leaguer) were performing equally as well at ends.

This year's backfield often displayed excellent blocking along with their hard running. Halfbacks Dave Tuthill and Don Staron constantly provided a path for the running of Ken Watson and all-league quarterback Lee Fitting. Fitting also starred as a passer and consistently hit Tuthill (an all-league back) with clutch tosses.

The defensive unit must also be given considerable credit for the team's tremendous success. They allowed their eight opponents a meager 30 points and were selected as the best defensive team in Suffolk County. They were led by offensive stars Hanff, Tuthill, and Heaney along with Joe Wielandt and Tom Foster. Zennie Parker, Alan Andrews and Rod Douglass were other noted members of this respected defense and halfbacks Rick Smith, Ed Copin and Mike Heaney consistently played good ball.

Coach Jackson once again played an important role in the team's outstanding performance. He worked arduously throughout the season, and with his assistant Coach Richard Manwaring deserves unending praise.

# Basketball

The Greenport High School varsity basketball, led by the enthusiastic support and training of Coach Richard Manwaring, had its finest season in many years. Ending the season with a 12-6 overall record, the Porters played terrific ball with their fast-breaks and pressing defenses. The key word for the success of the team was "hustle." Dave Tuthill, Greenport's all-league member, led the charge with his great shooting from the outside, his dribbling and numerous stolen balls. The second guard, Lee Fitting, did an outstanding job on the presses and fast-breaks. "Big John" Charters led the team in rebounding and had a fine driving lay-up and outside shot. John Hanff, a forward, had an accurate shot from the corner and was a close second in off the boards. The second forward, Steve Burt, the team's tallest man, came alive at the end of the season and did well in

shooting and rebounding. Ricky Smith came on strong off the bench, in substituting for both the guards and the forwards as did Ken Powell, the team's final senior. Only a junior, Bob Robinson, who played very well, will be seeing more action next year as will Zennie Parker, Wayne Mazzaferro, Tom Quillin, and Wayne DePetris. The team got off to a good start by defeating Westhampton in their brand new gym by 2 points. At the Christmas Tournament they defeated William Floyd but lost the championship game to Center Moriches by 1 point. When the two teams clashed at Greenport, the Porters won a decisive victory. The season was completed with a well deserved victory—defeat of Southold by 57-51 in the Greenport gym.

The boys on the varsity squad attribute all their success to a great coach, Richard Manwaring.

## Cross-Country

Although the G.H.S. cross-country team originated just two years ago, they were able to win the league V championship in 1966. Despite their lack of experience the Greenport runners displayed unusual fortitude and revealed a tremendous competitive spirit.

Led by "bare-foot" Bruce Finno, the team lost only one closely-contested meet in regular season play. This loss was inflicted by a well balanced Sag Harbor team on the Sag Harbor course. This loss was revenged, however, in the league finals with Finno easily winning the meet, despite an injured foot.

Many coaches classified Finno as one of the best runners in Eastern Suffolk County. He continually headed the field at the finish line and usually led throughout the race. Bruce's brother Jim, a freshman, also showed his extreme talent as a runner and it is believed that with some experience he may be able to equal his brother's records. Bill Mueller, Tim Clingen, Billy Price, and Jim Brandi should likewise be complimented on a job well done as they performed admirably behind the Finno brothers.

Coach Wells deserves considerable credit for the team's outstanding success because he devoted much of his time and effort to produce such a high-caliber team. His coaching helped the Oystermen compensate for their lack of experience, and without his valuable assistance it is doubtful that the team would have done as well.

Coach Wells congratulates Bruce Finno for his fine performance this season.

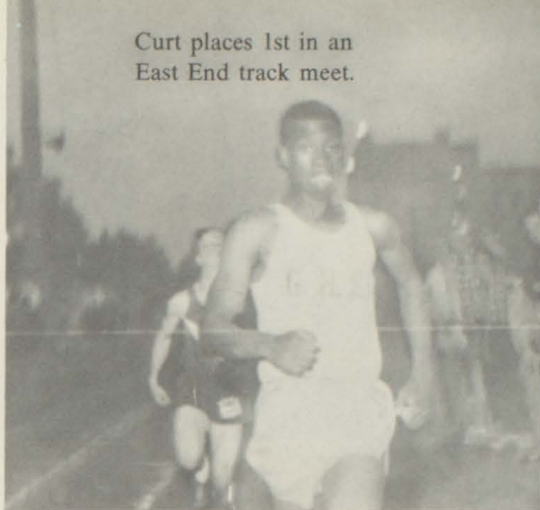

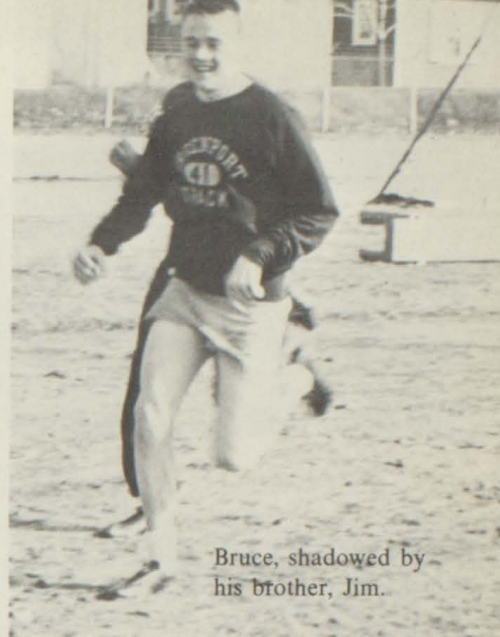

Sock it to 'em Zennie!

Curt places 1st in an East End track meet.

Bruce, shadowed by his brother, Jim.

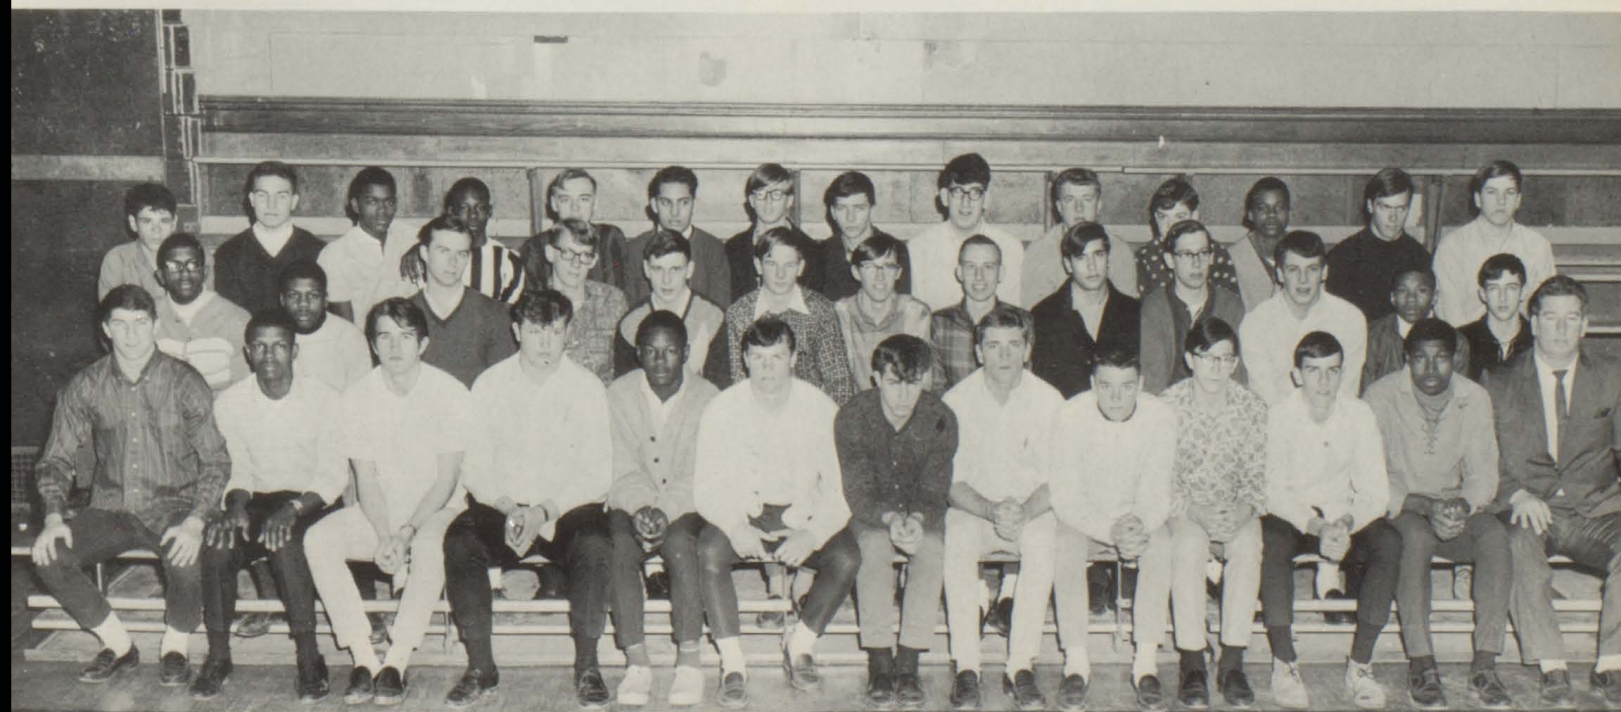

## Track

The Greenport track team hopes to have a chance for the county championship this year. The Porters, with most of the letter winners back, have strength in many events and under Coach MacDonald the boys will try to perfect themselves to make a well rounded track team. Mike Heaney, who doubles in the 100 and 220 yard dashes, will be one of the leaders of the team and Barefoot Bruce Finno will be trying to set new records in the two mile run. Curtis Yates should do well in the high-hurdles and the triple jump. Kevin Laub

will be throwing hard in the discus and Zennie Parker will be the man to beat in the shot put event. Other letter winners, Arthur Lane in the 100 yard dash, Steve Burt and Ricky Smith in the high jump, Don Staron in the pole vault and Ed Copin in the low hurdles will be there to add up the points for the Oystermen. With the many promising athletes on the team, Coach MacDonald will work hard to get the best from everyone and to finish in good standing in the county meet.

# Baseball

Despite a poor showing in their '66 campaign, the '67 G.H.S. baseball nine appears to be one of the most powerful units assembled over the past years. The team's 7 won 8 lost record of last year does not provide description of the team's ability and it is believed that the team will fare much better in the upcoming season.

Led by a host of veteran ballplayers, the Oyster-men have a well balanced team with experience to spare. Both second baseman Dave Tuthill and catcher Bob Heaney have played varsity ball for four years and much of the team's success depends on their performances. John Charters is a three year veteran at third base and provides most of the power in the Greenport line-up. Rick Smith and Danny Ship have been waging a tough battle for the short-stop position with Smith having a slight advantage because of his valuable experience. Bob Robinson should do a good job of han-

dling the first-base chores although he has yet to play varsity ball. The outfield will consist of Dennis Bubb and Richie Sycz, a pair of slugging juniors, and Lee Fitting, a top-notch centerfielder.

As usual the pitching will play a large role in the team's championship hopes and Greenport has a "dandy" in Don Staron. Staron has both speed and control and is expected to overpower the opposition's hitters. He performed well last year and will probably pitch most of the decisive ball games. Chris Morey and John Charters will share the pitching duties with Staron and it is believed that they can come through when called upon.

In his first year as varsity baseball coach, Coach Robert Wells did a noteworthy job by keeping the players hustling and scrapping. If he can duplicate this accomplishment, the G.H.S. baseball team is definitely in contention for another baseball championship in 1967.

The team was led by Ed Copin, Lionel Wilson and Larry Flatley, who were all selected for the League III all-star team. Russ Gagen and Dennis Bubb were other starters and Wayne Moore and Scott Harris were always ready to substitute. The Keglers, coached by Mr. Campbell, obtained high averages with Ed leading with a 167 average, the league's second highest. Larry Flatley averaged 163 and Lionel had 162 to keep the team up high in total wood. The boys and Mr. Campbell did a great job and are a credit to the school.

*We, the Editors, Would Like To Thank  
the Following People Who Gave Us Special  
Assistance in the Production of Our Yearbook.*

Mr. Robert Ketcham, Jr.

Dr. George E. Cottral

Philip Macomber

Patsy Burczyk

Julie Spinthourakis

Mr. John Vail of Vail's Photos

The understanding teachers who graciously  
accepted our occasional absence from class  
and last but not least, our adviser,

*Mr. George Gildersleeve*

Thank you for your many hours of help  
in school and in our "production room."

For the aerial photos of our community we are especially grateful to Colonel F. S. Gabreski, wing commander of the 52nd Fighter Interceptor Wing of Suffolk County Air Force Base, Westhampton Beach, New York. With our deadline drawing near and a shortage of certain critical photographs still facing us, we wrote a letter to the Colonel expressing our desperate plight and asking his aid. On March 9 a helicopter hovered overhead clicking away and the next day we had the North Fork laid out before us.

On the right is a picture we managed to come up with of Colonel Gabreski, the only living air ace in the United States today. Taken during World War II, it shows him at the controls of the P-47 Thunderbolt fighter in which he scored his kills against the Luftwaffe in the skies over Europe.

Below, on the left, your co-editors Judy Cook and Elisa Lieblein glow with satisfaction at the photographs delivered to the school by Sergeant Austin G. Beyer, a simpatico journalist himself.

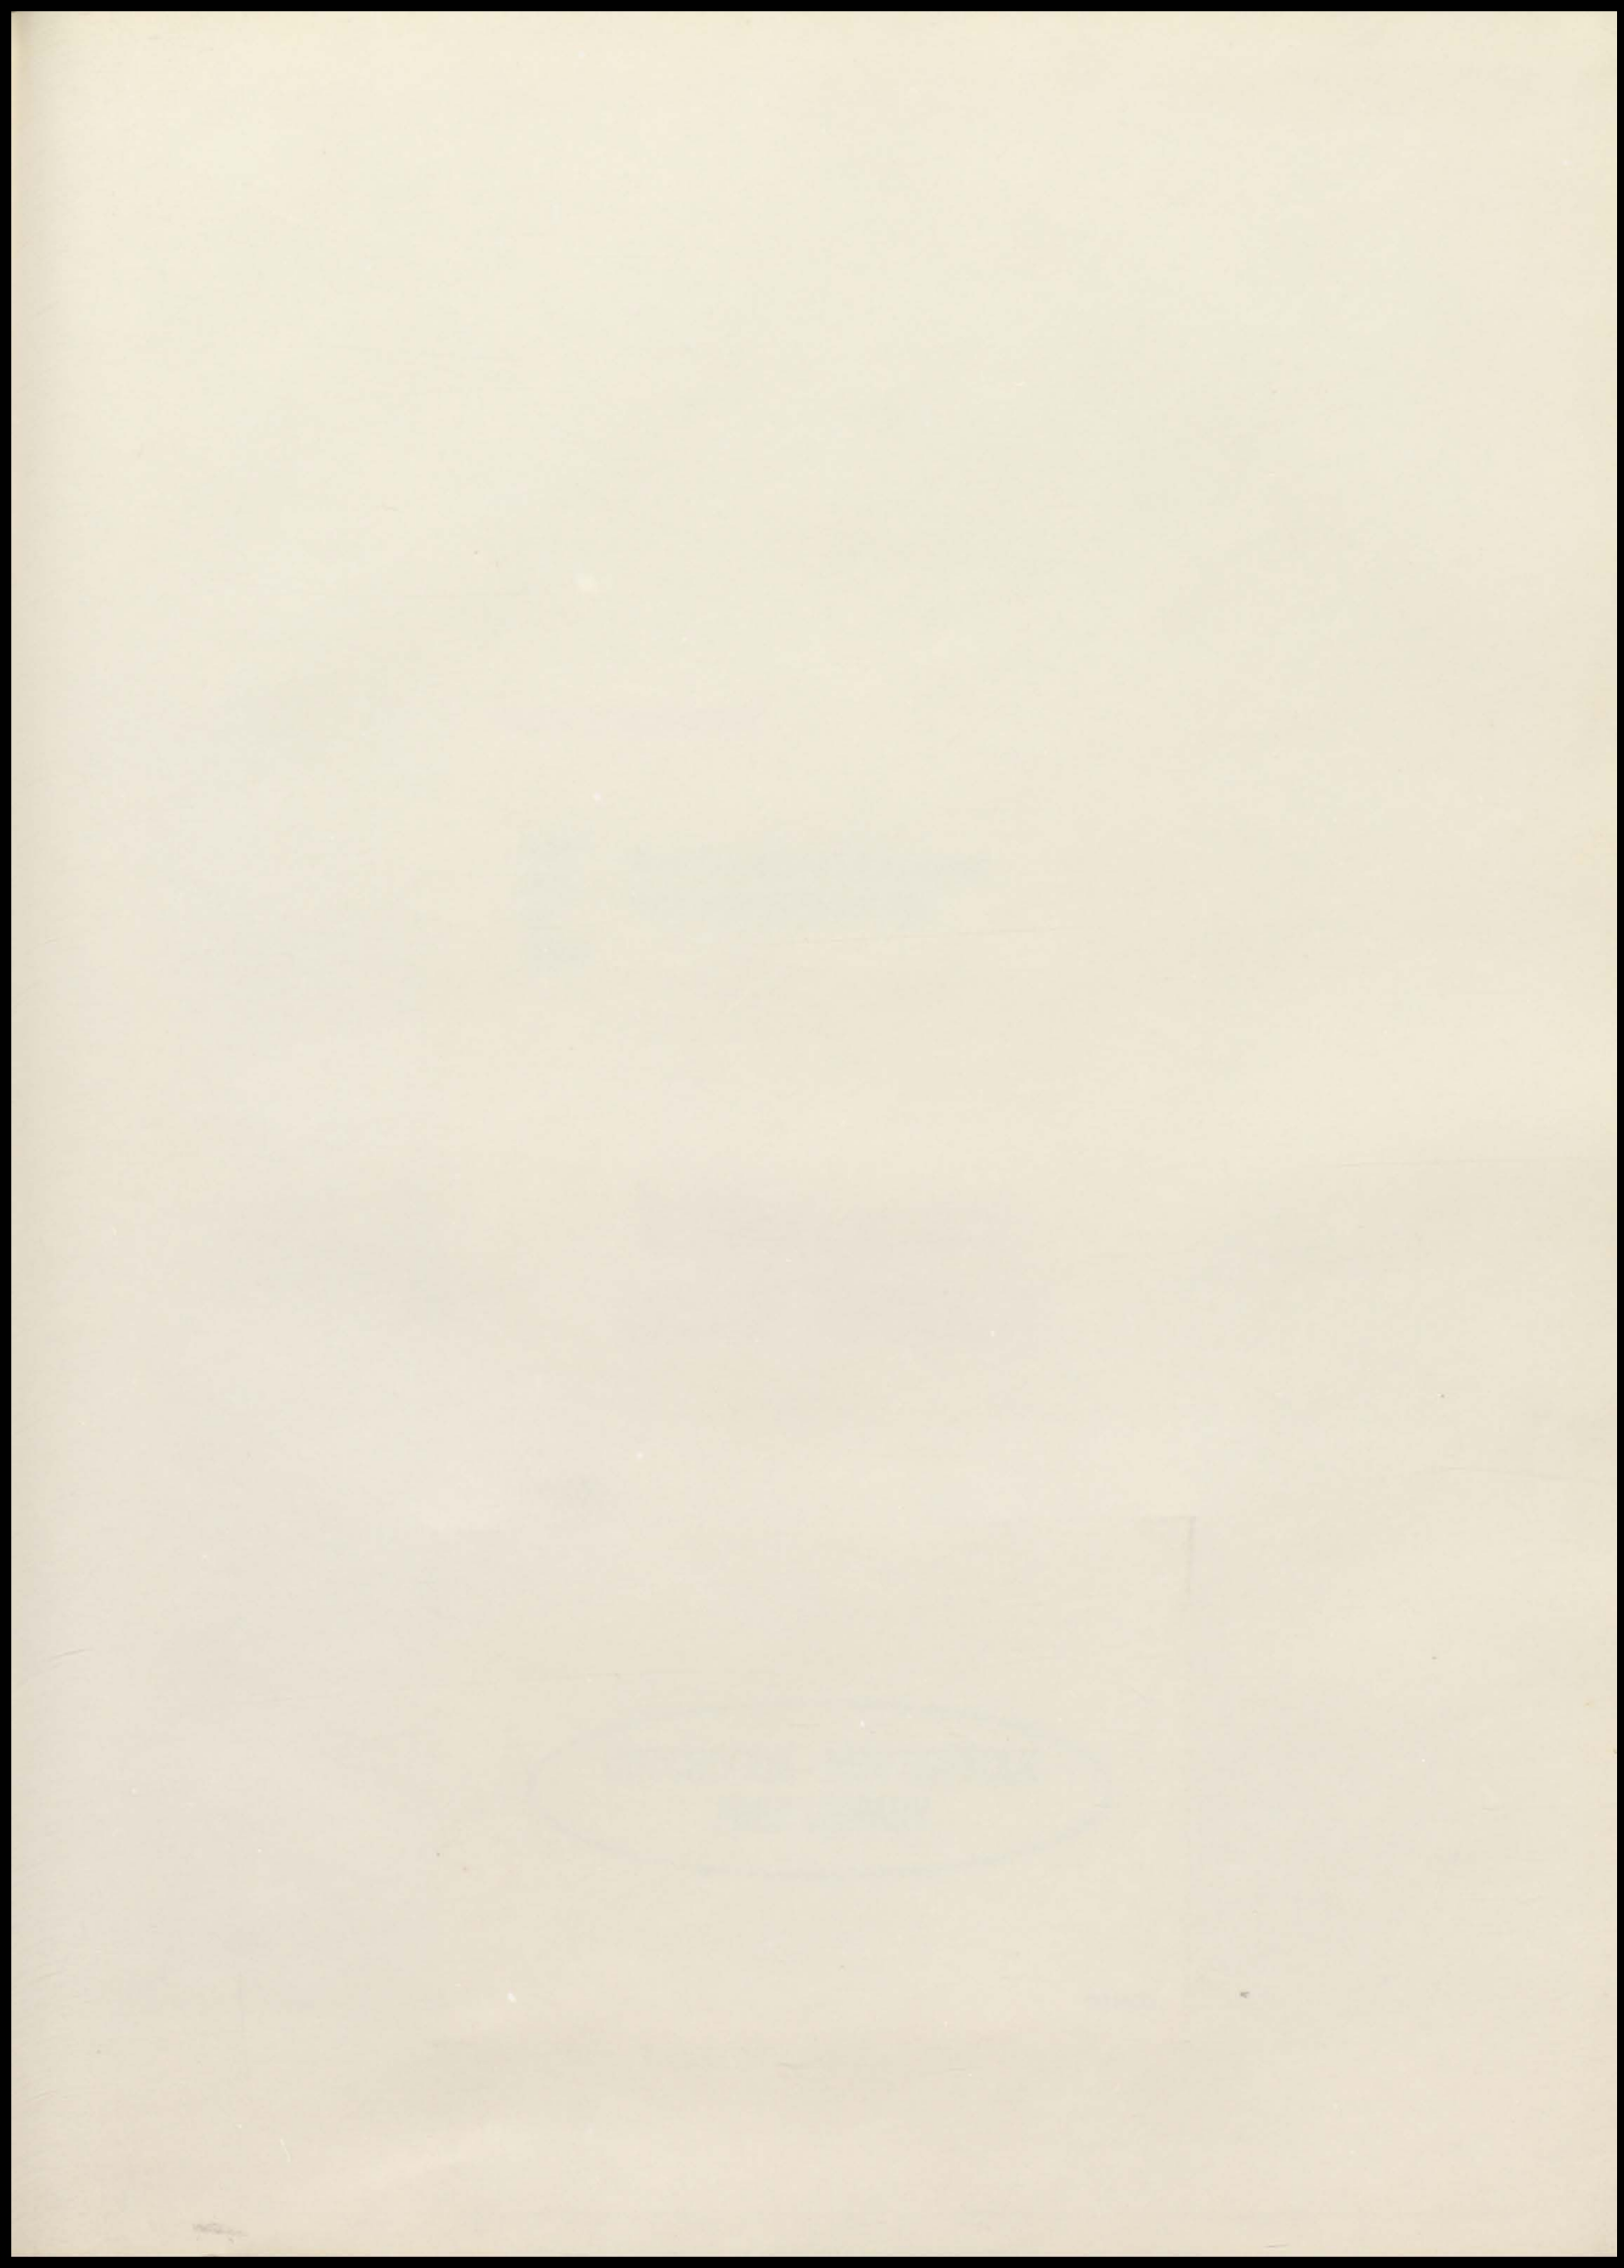

We know what we are, but know not what we may be.

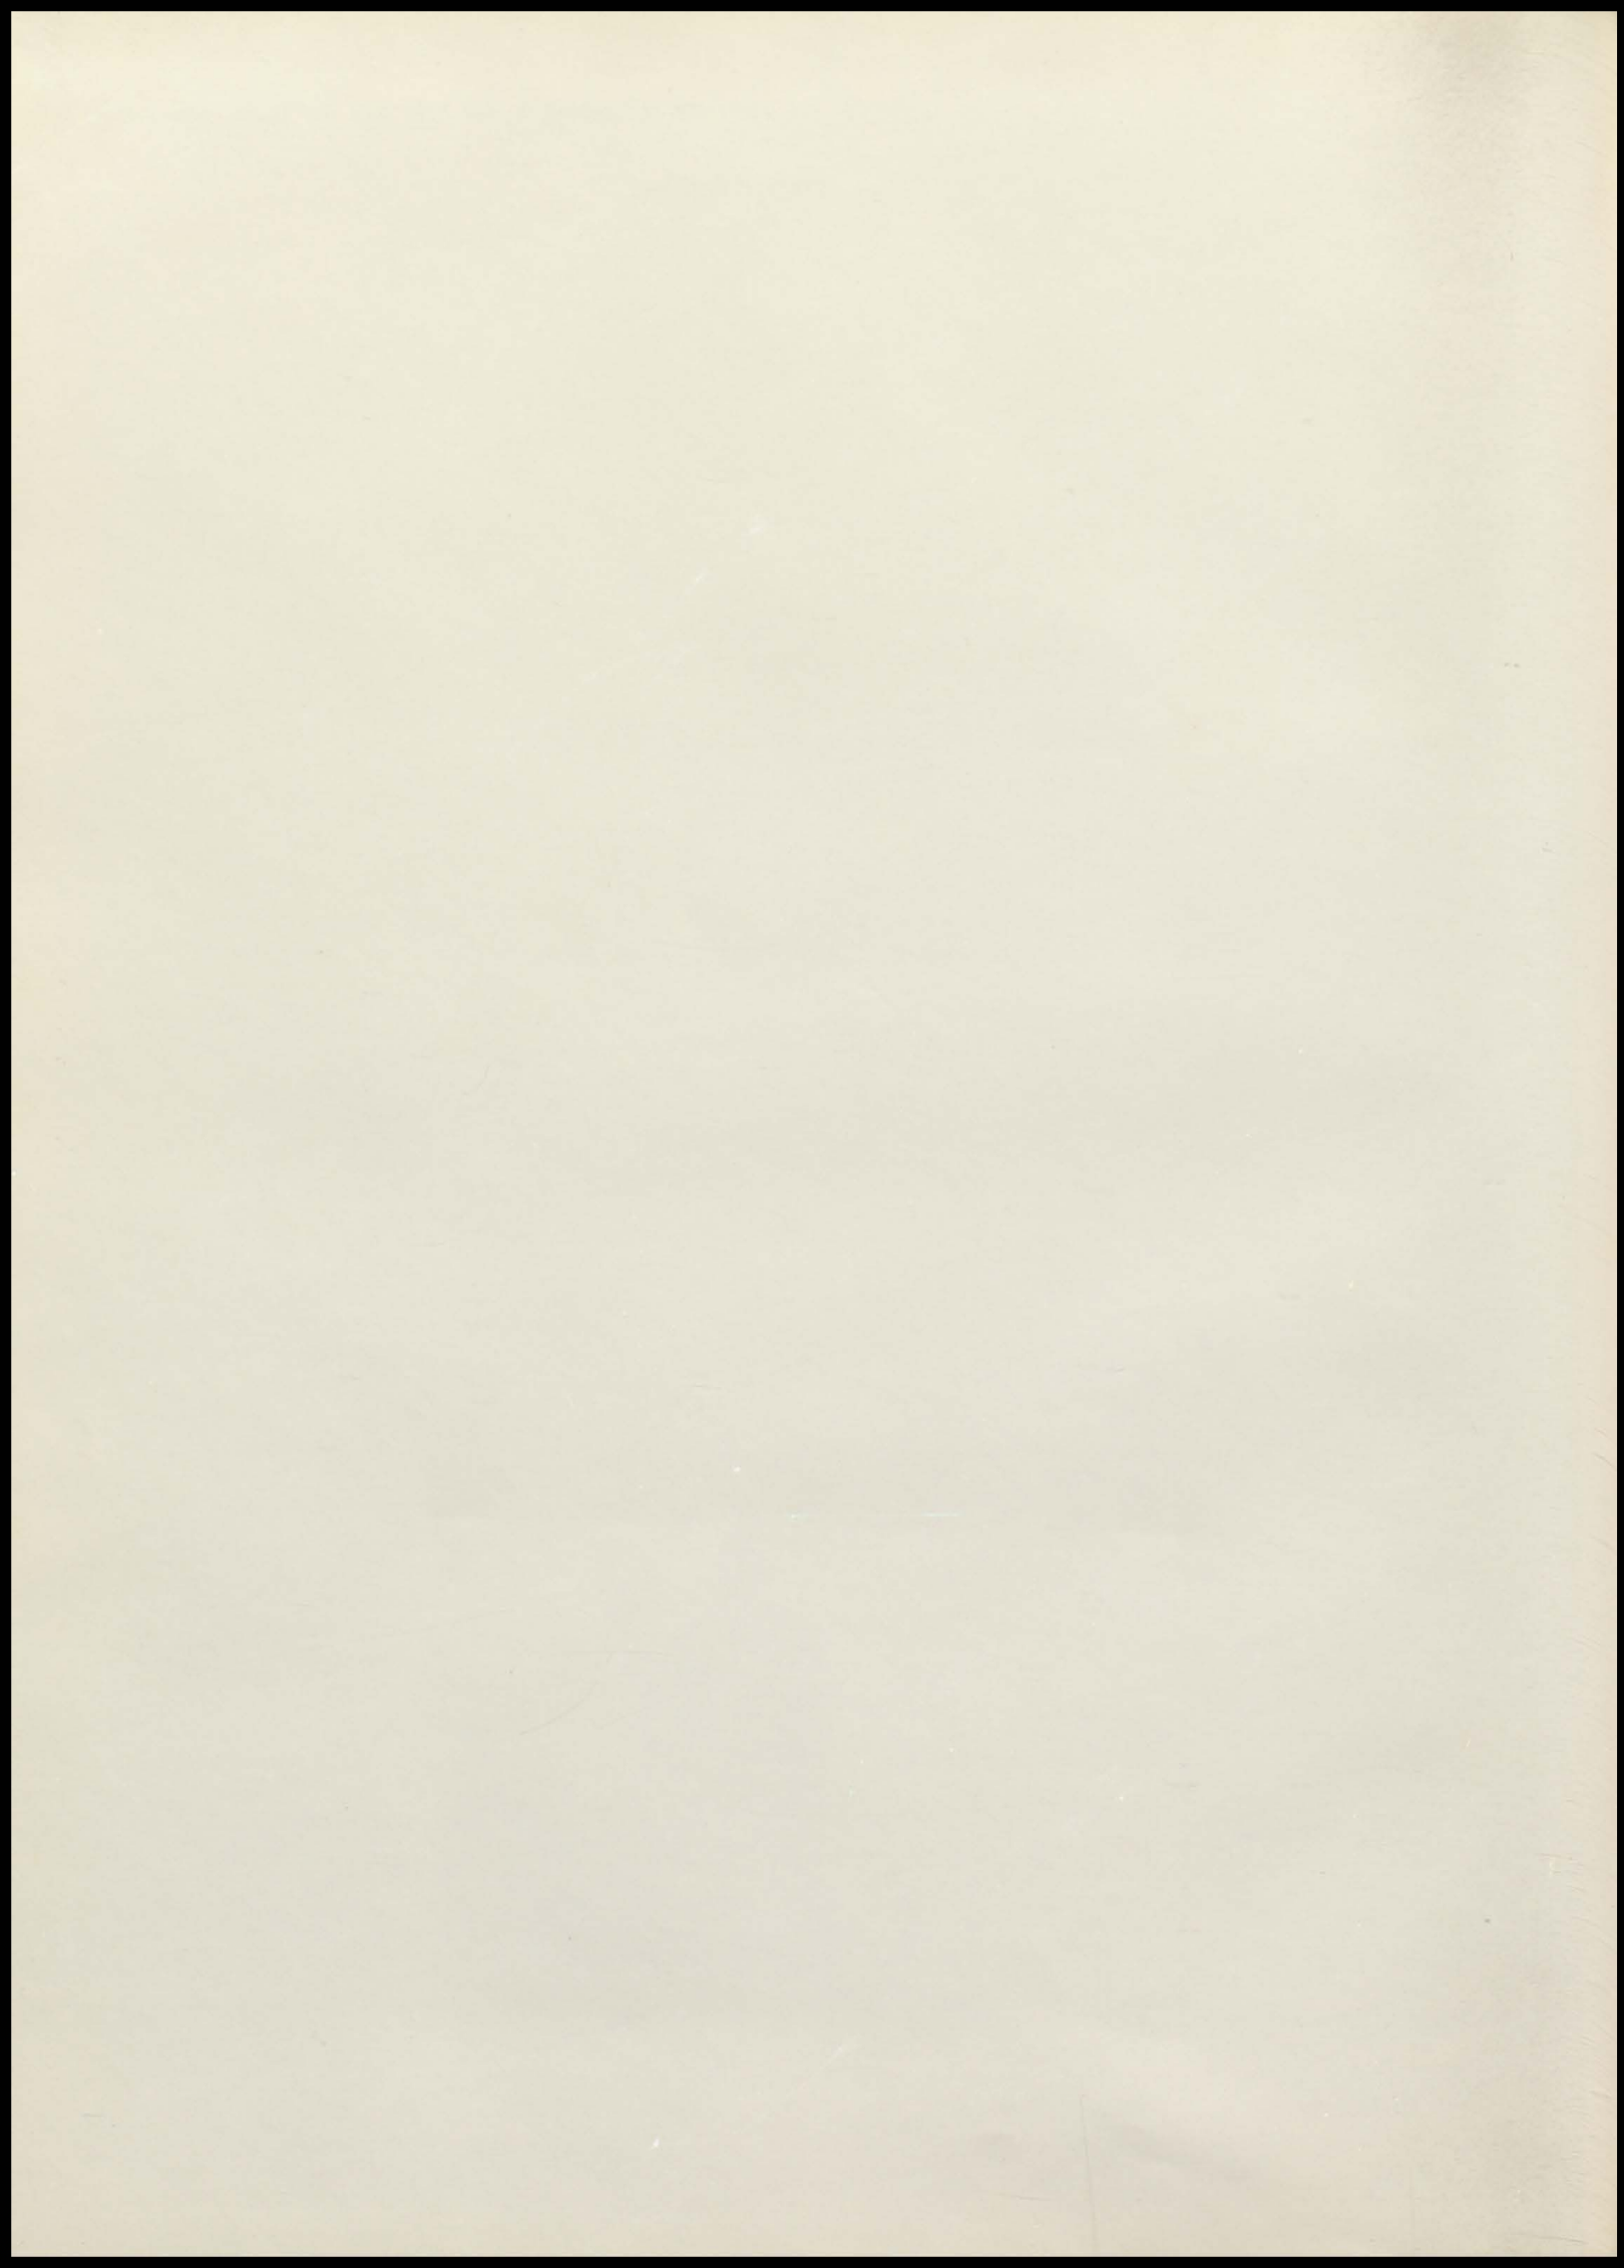

—Shakespeare

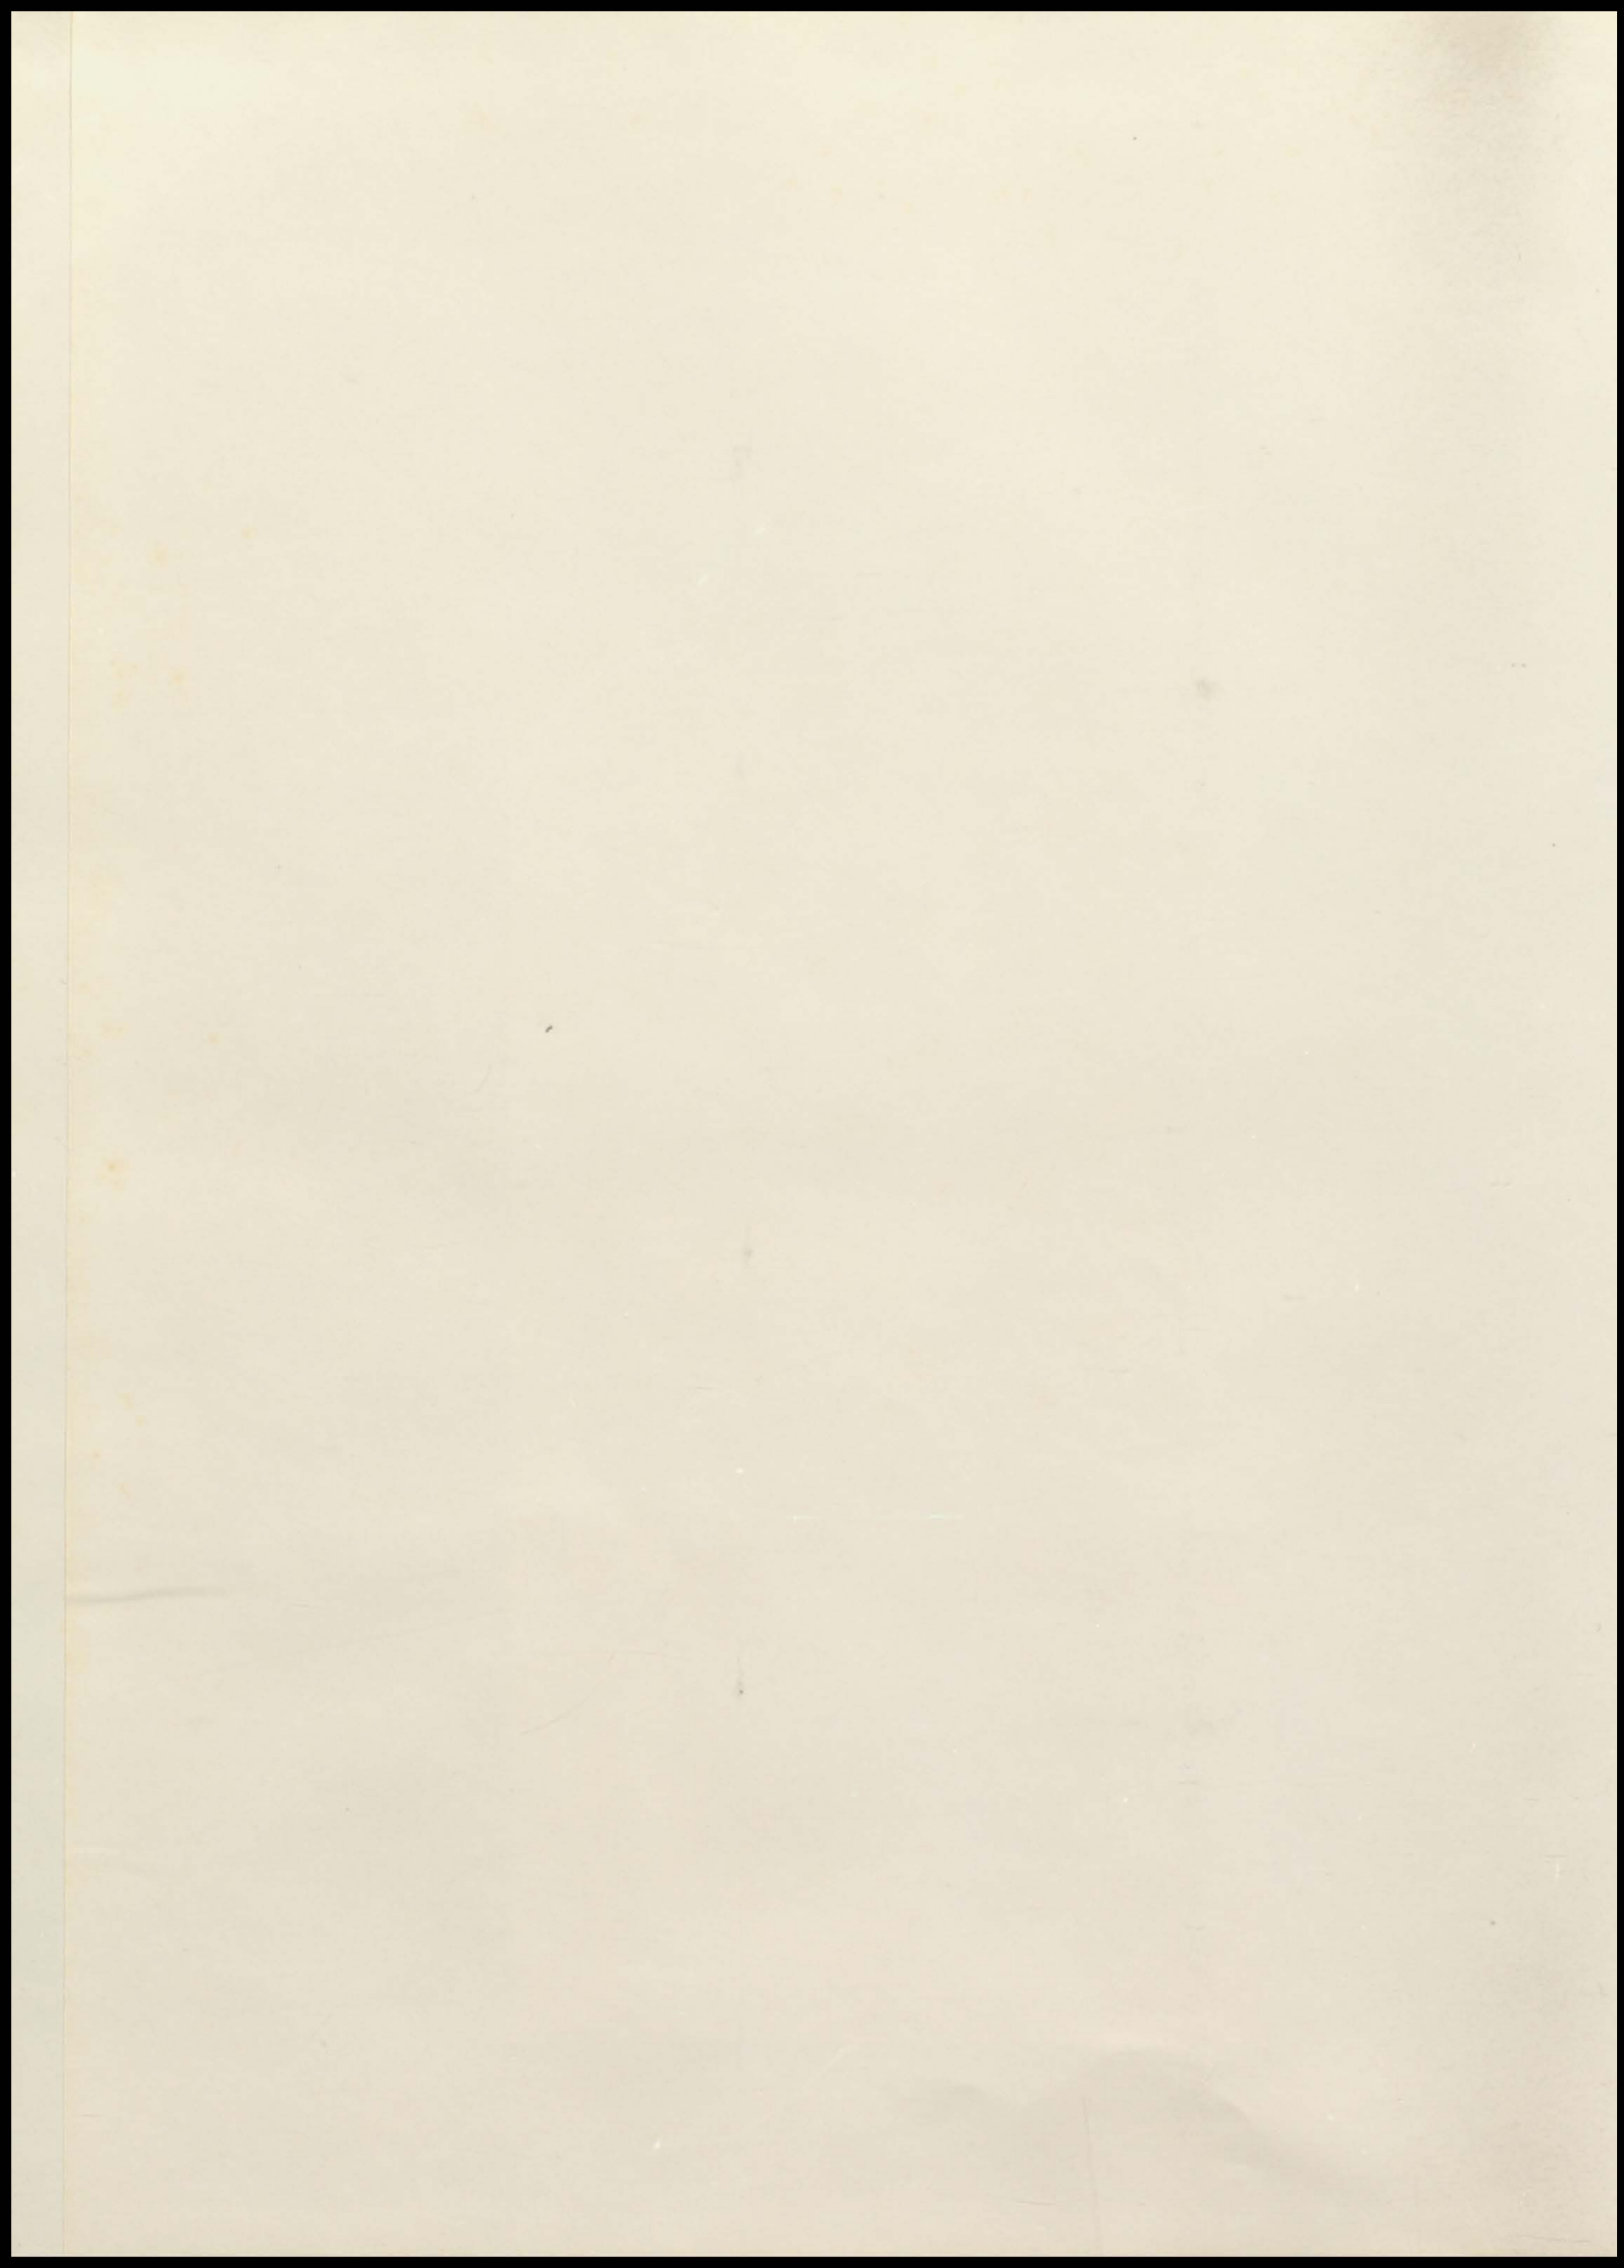

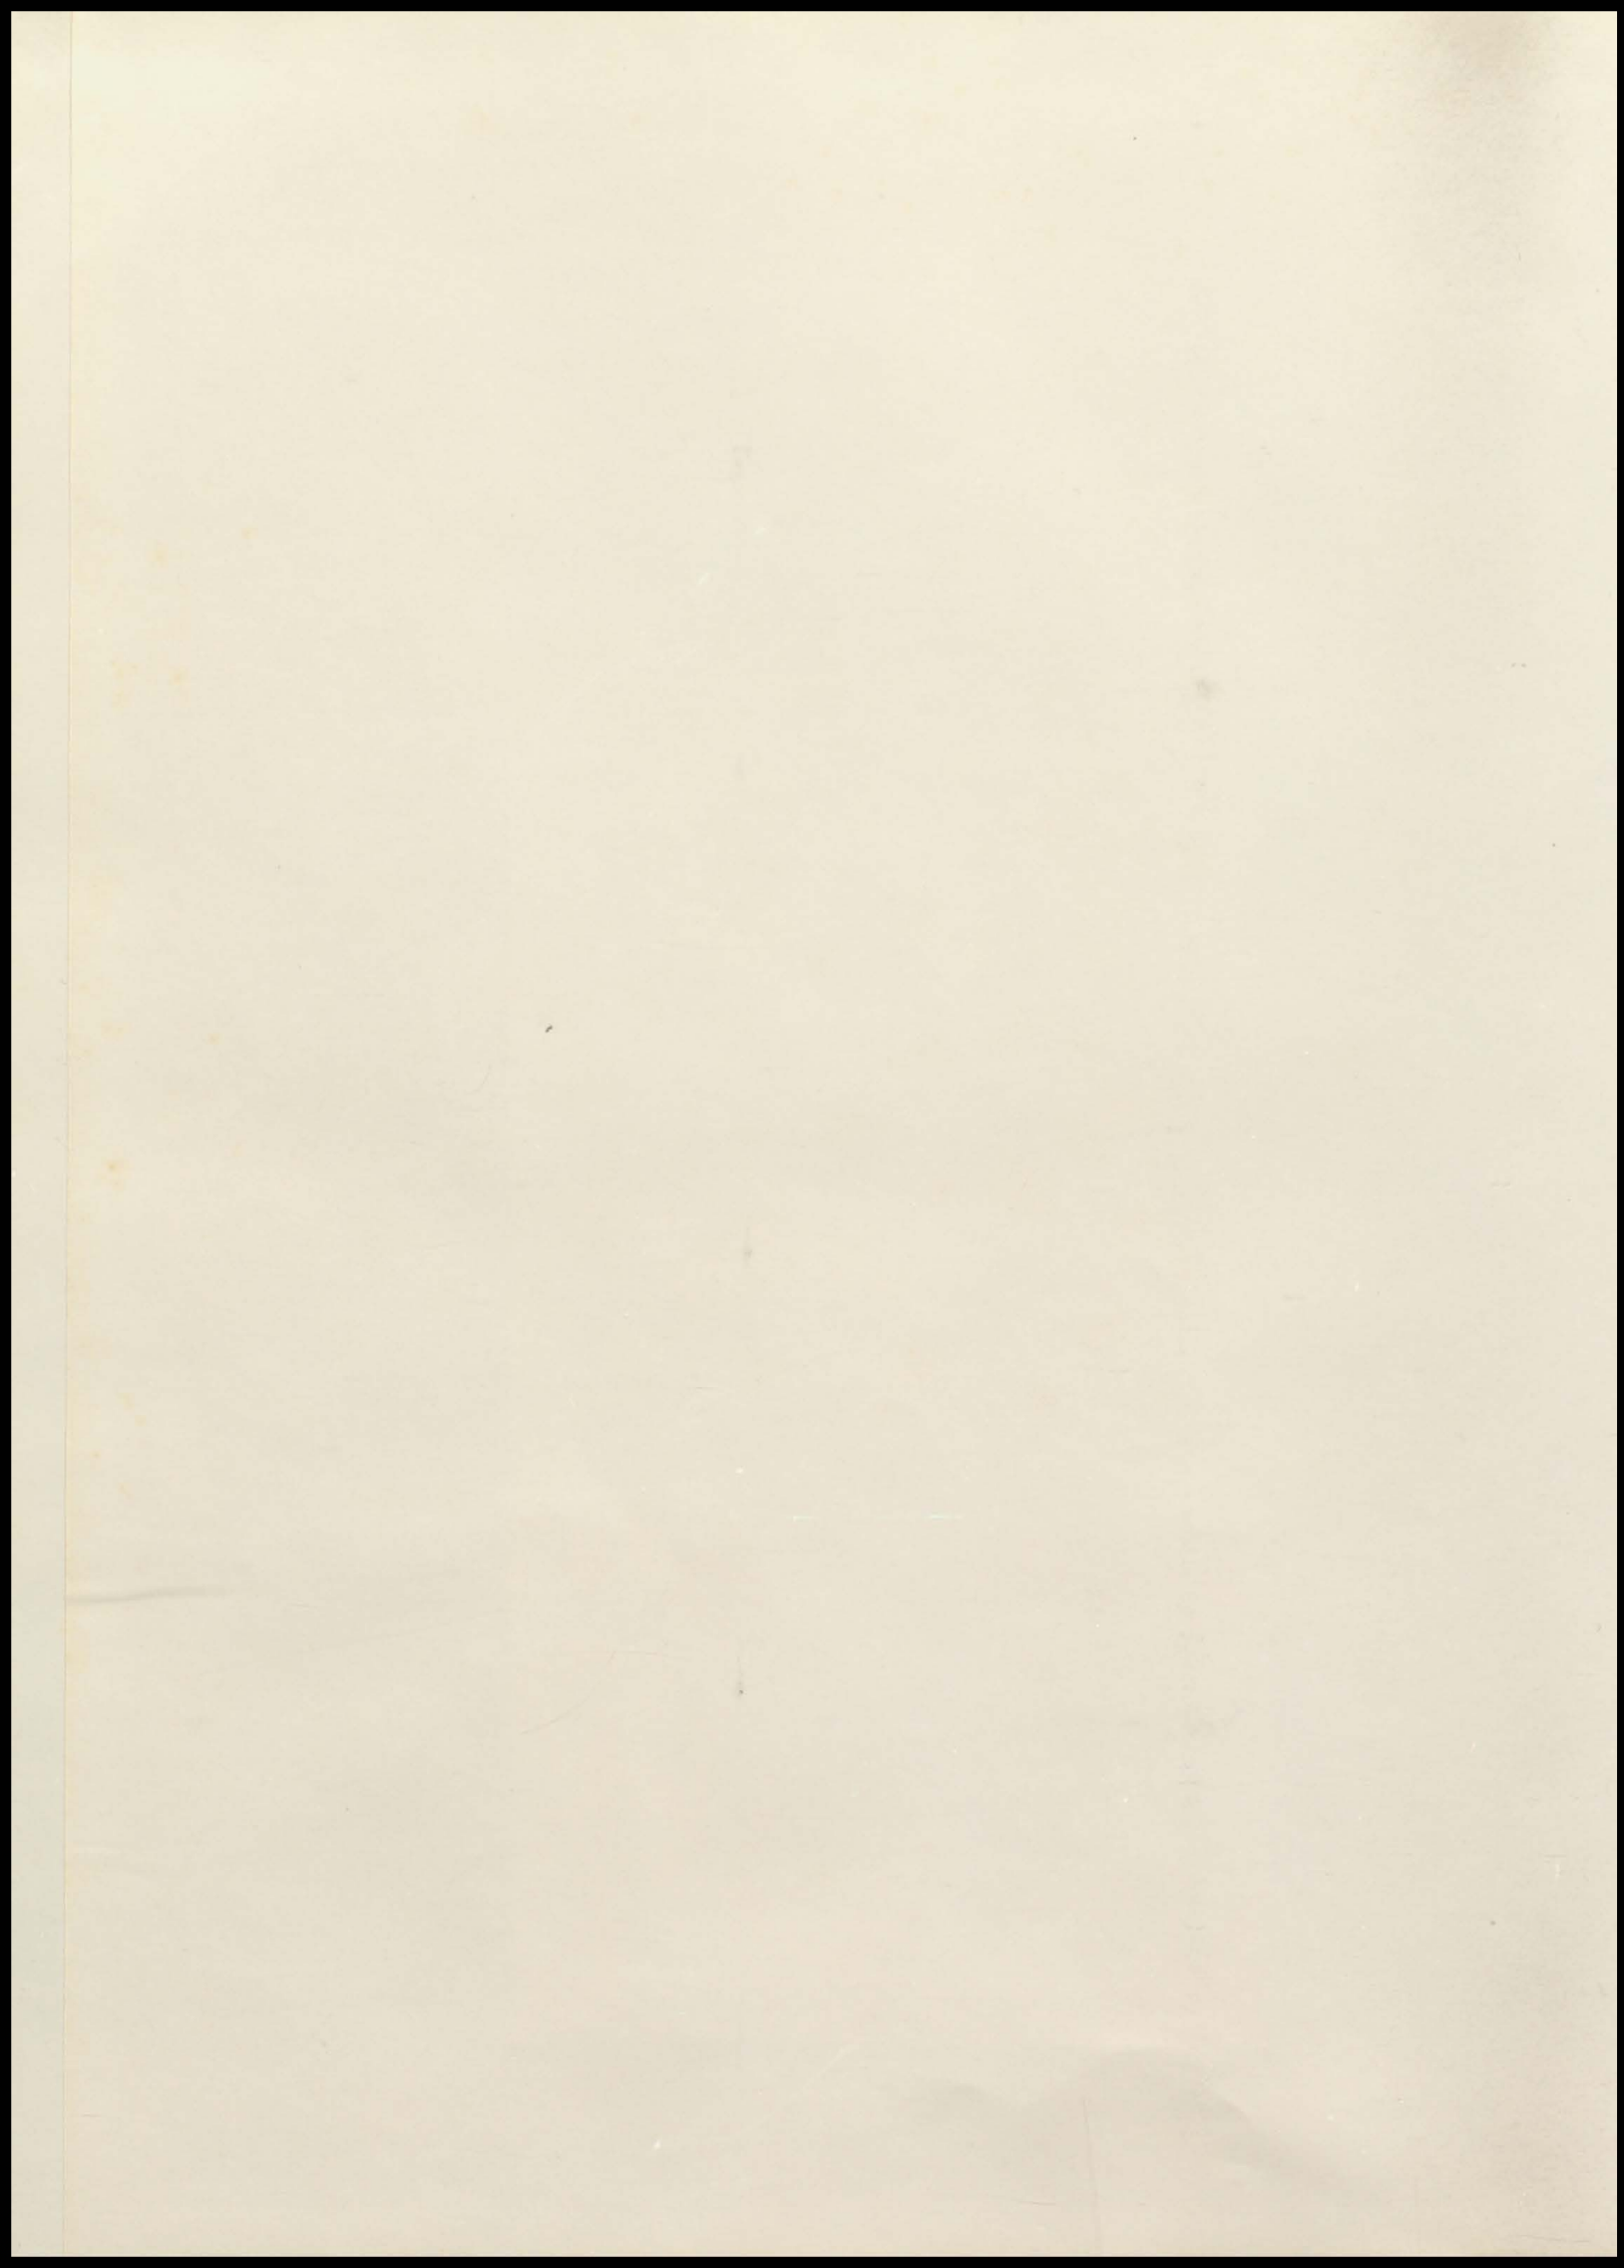

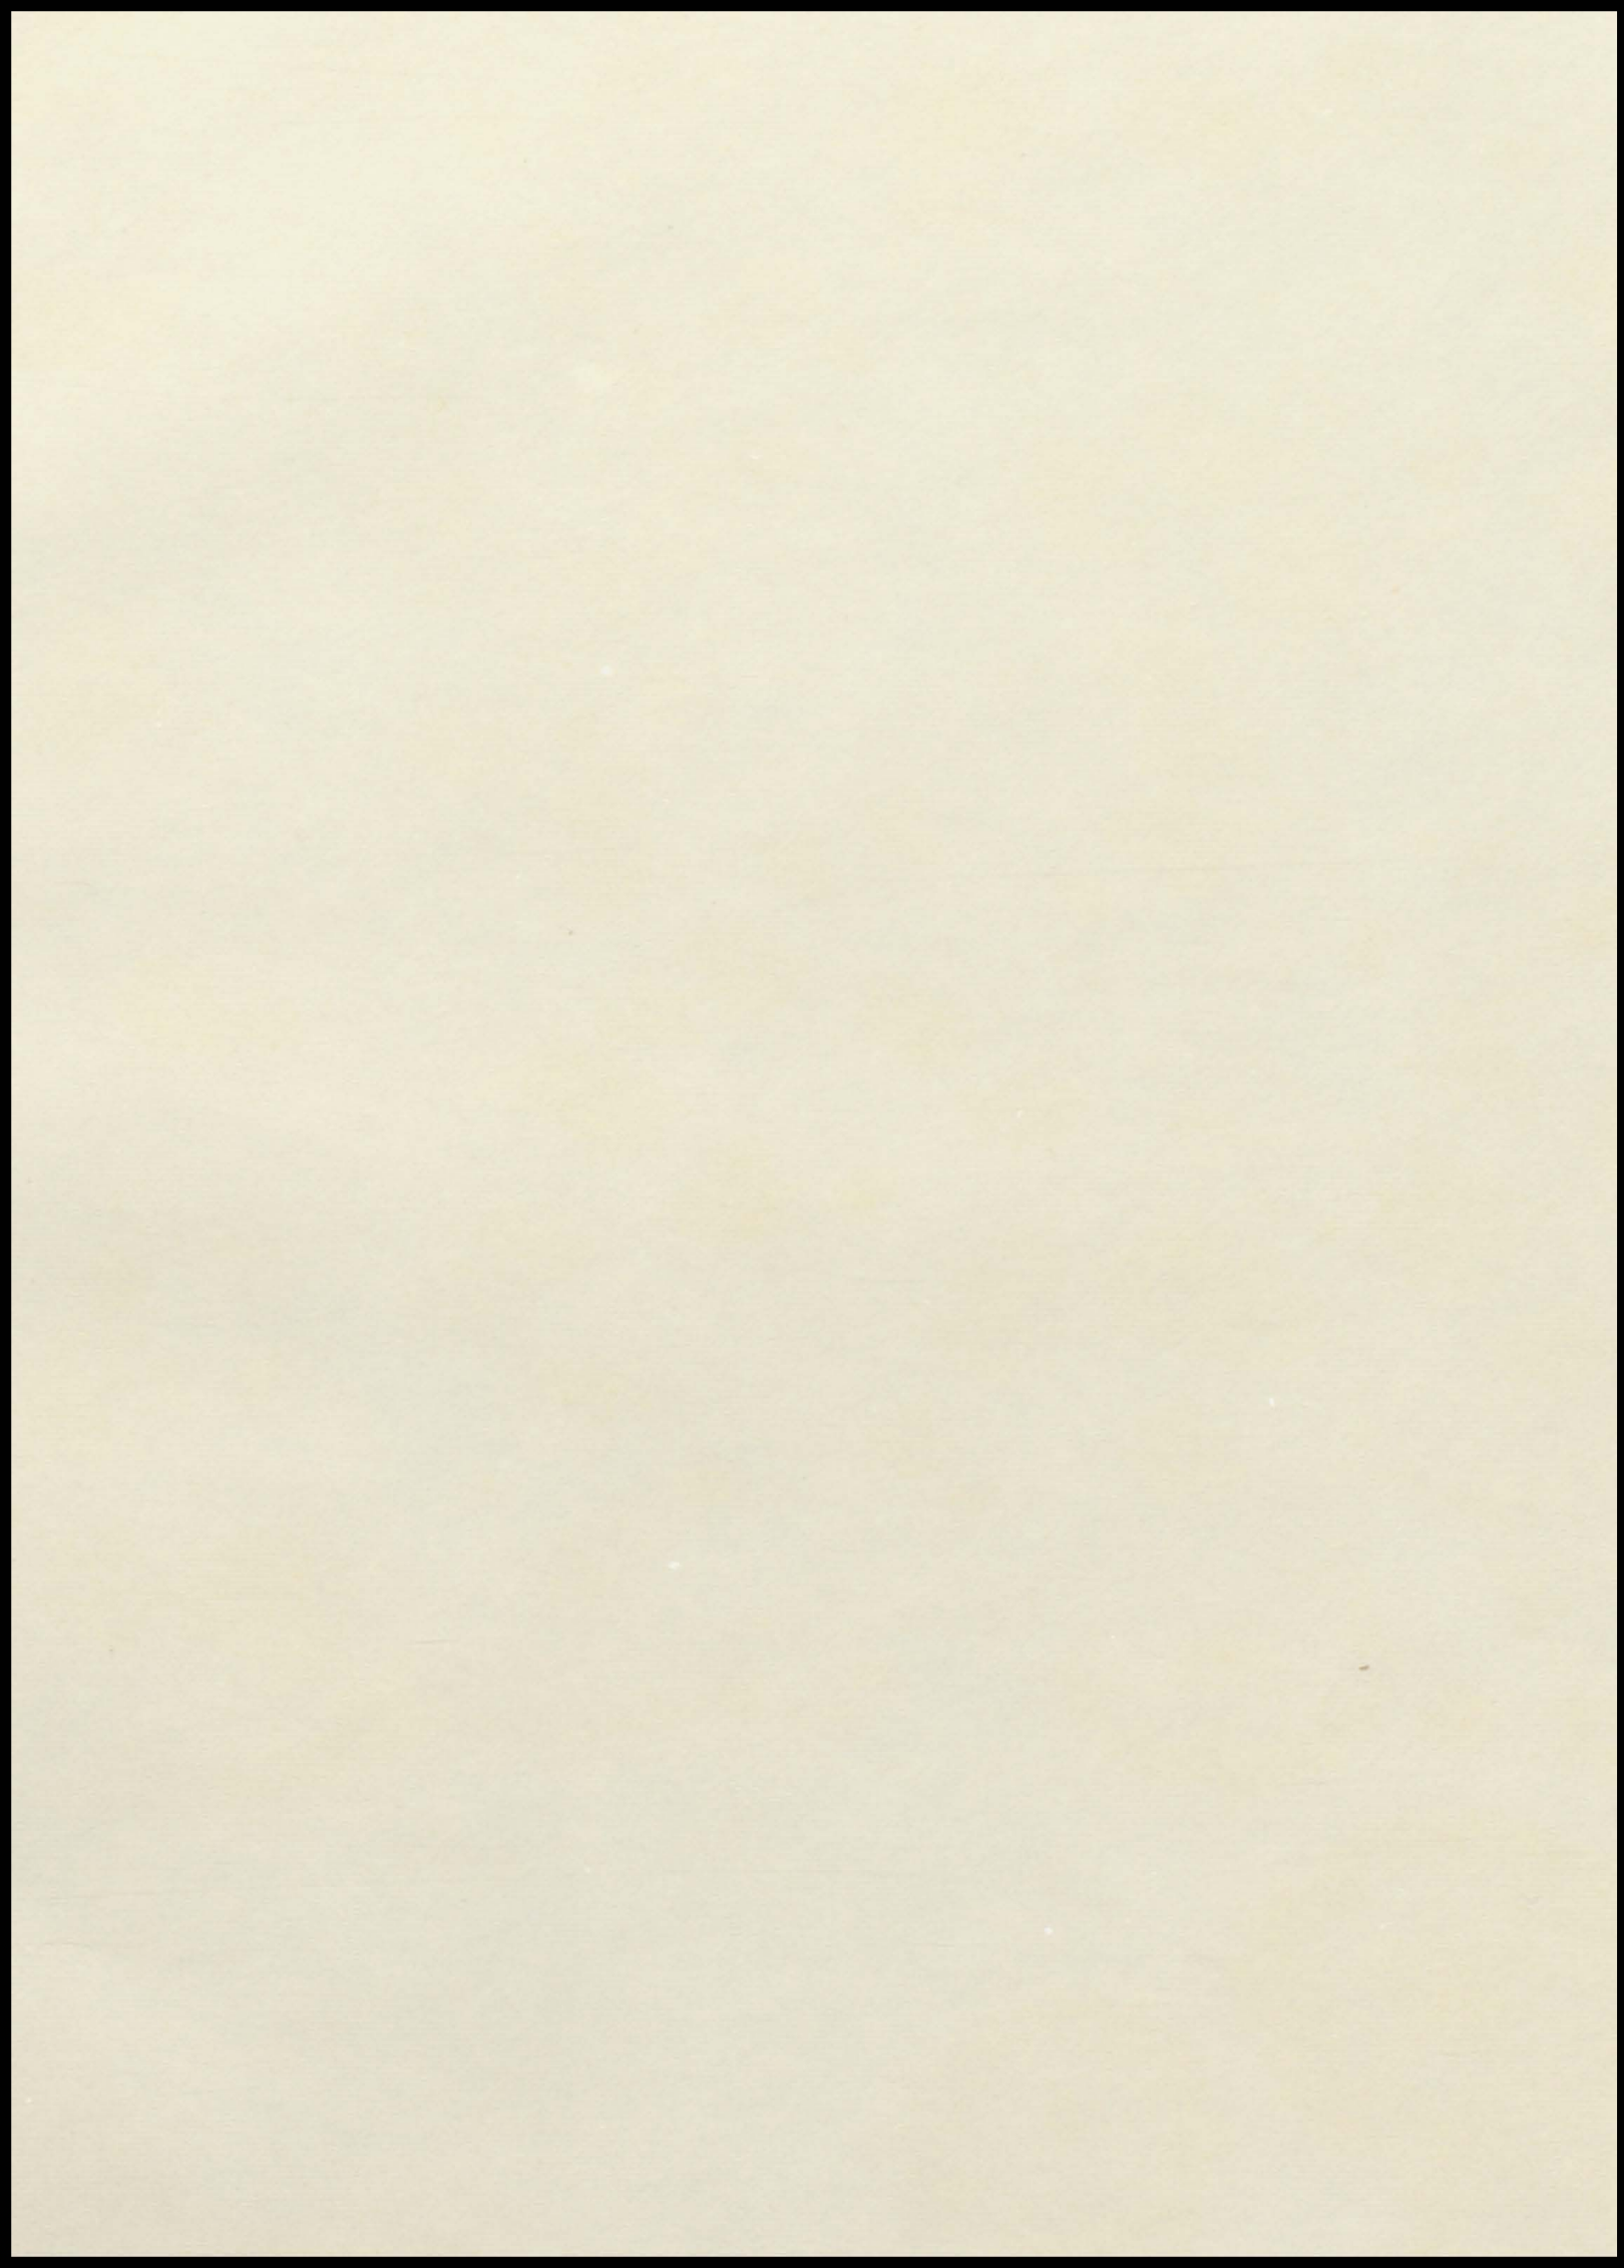

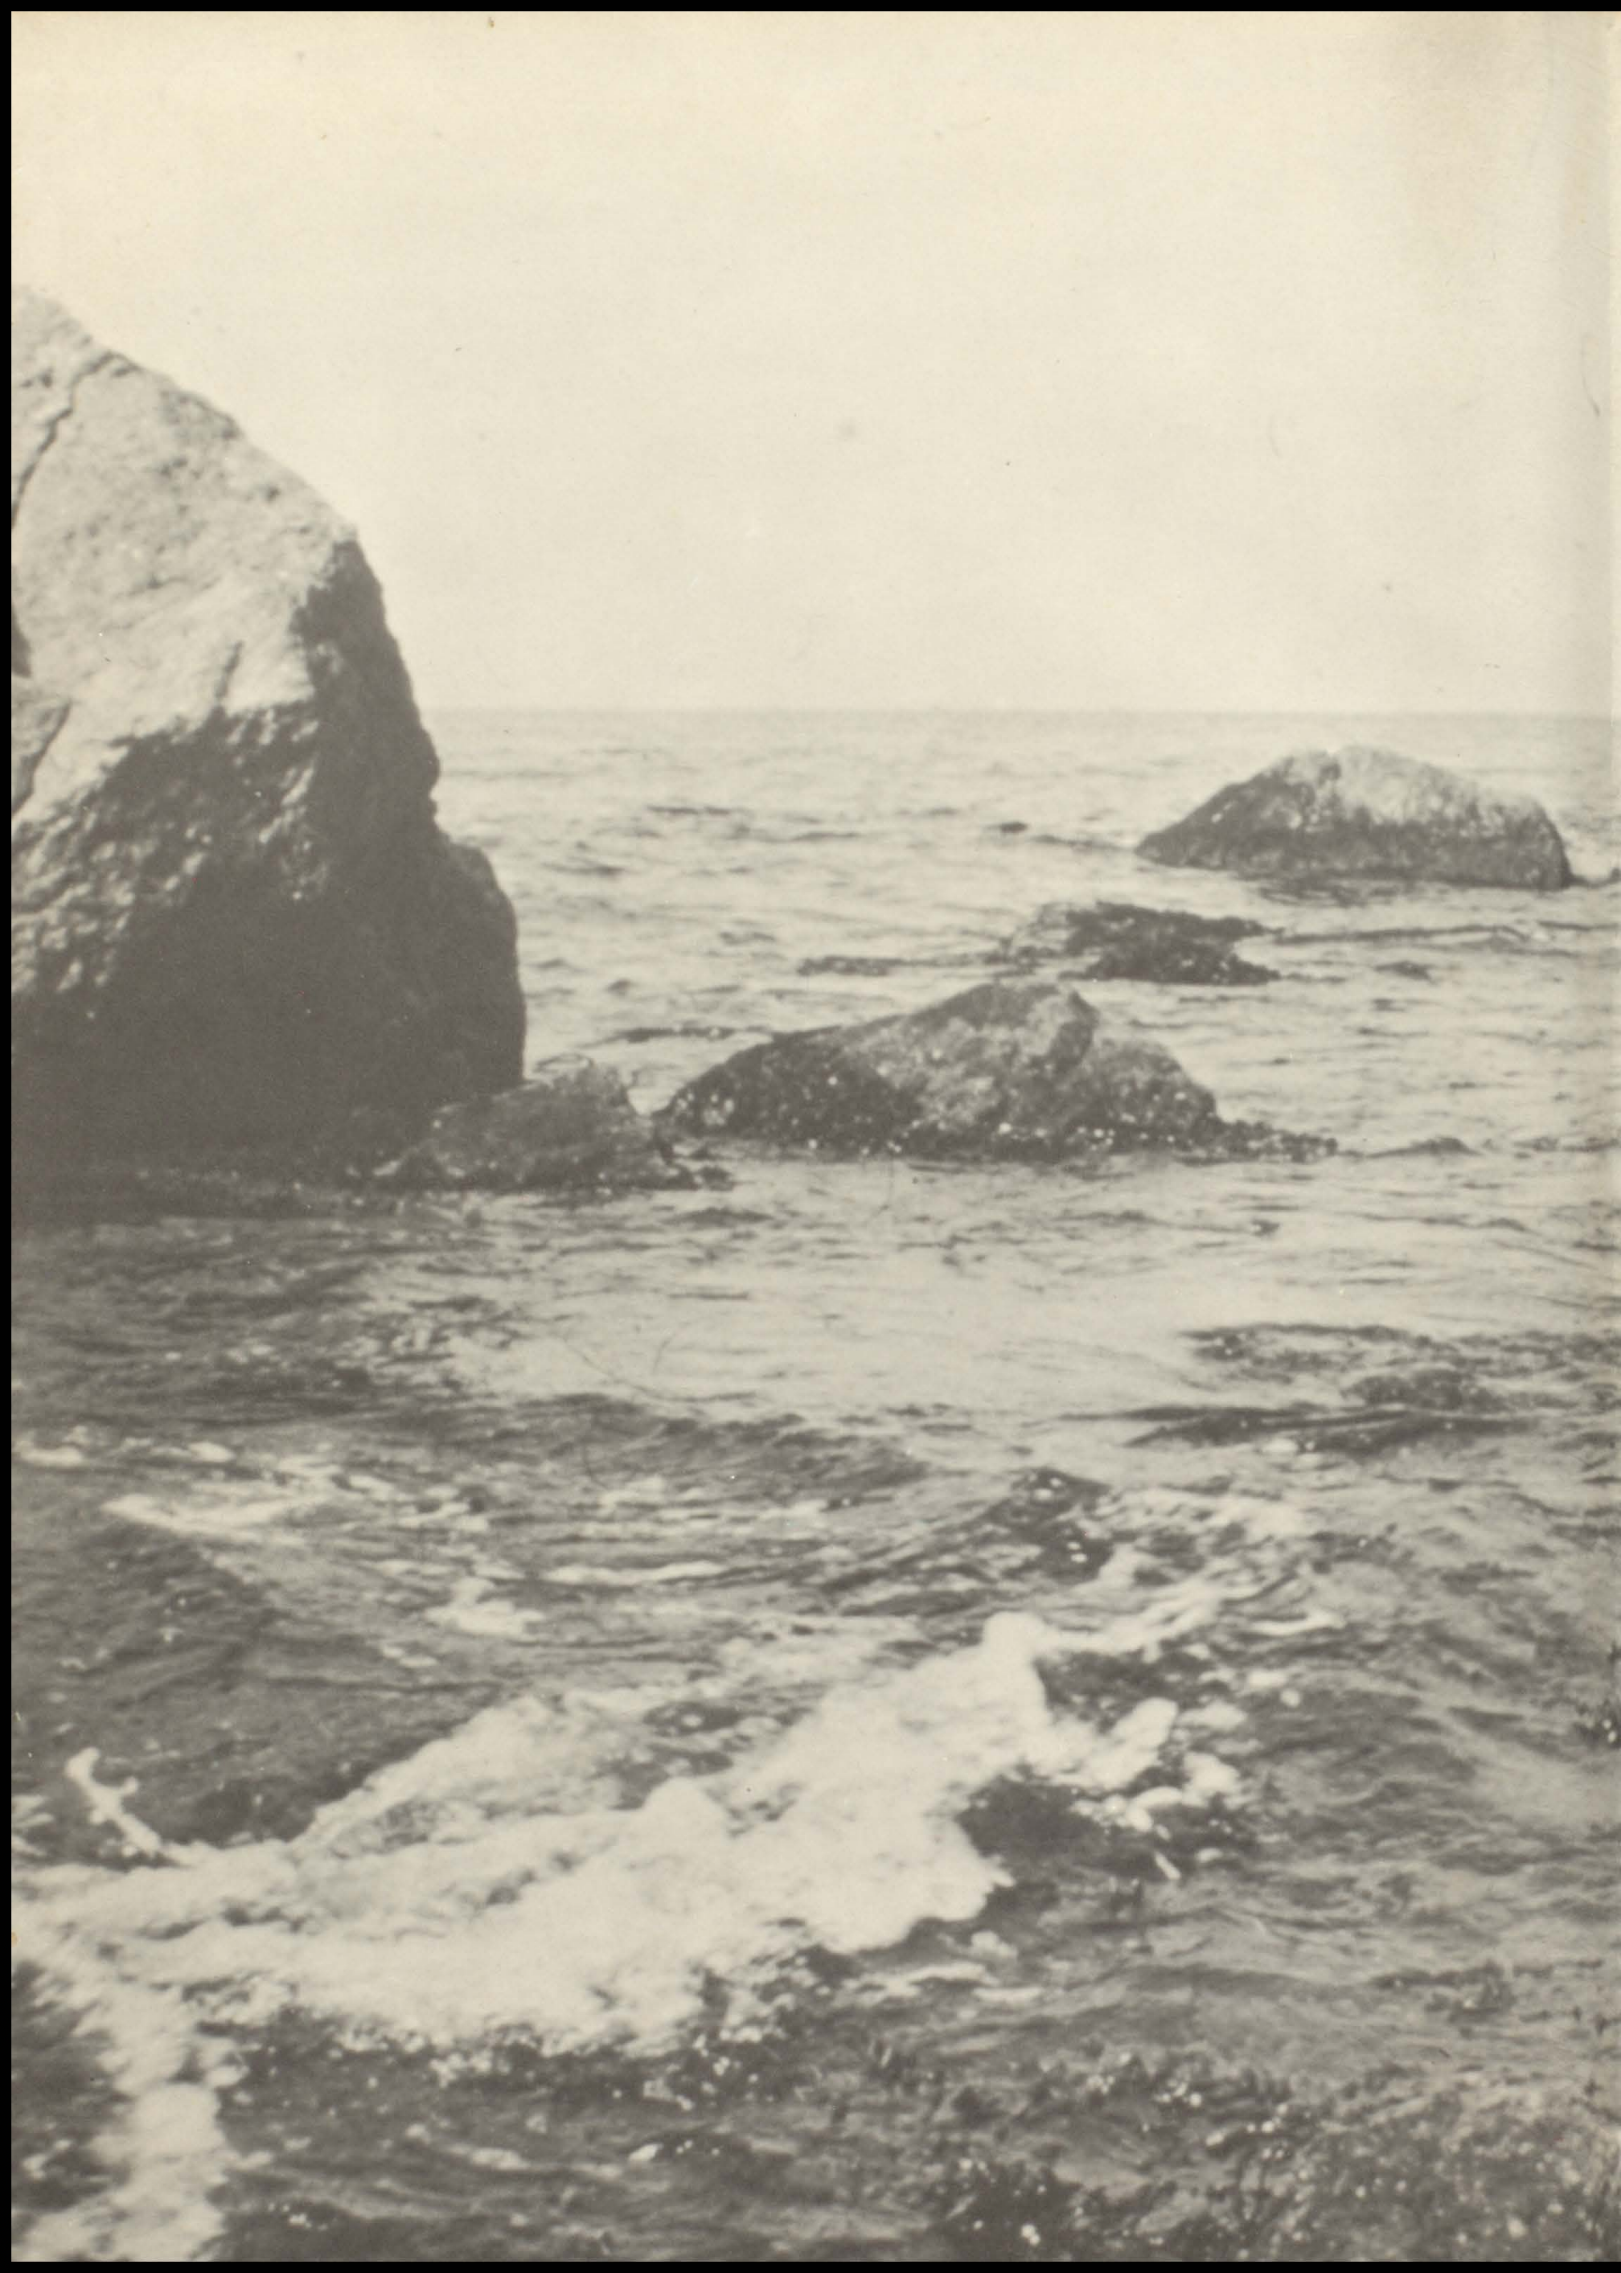

Lend me the stone strength of the past and I  
will give you the wings of the future.
