Every year the dedication of the yearbook is given with a feeling of obligation. This year, the Reflector is dedicated with a feeling of honest appreciation for the time this person has given to our school.

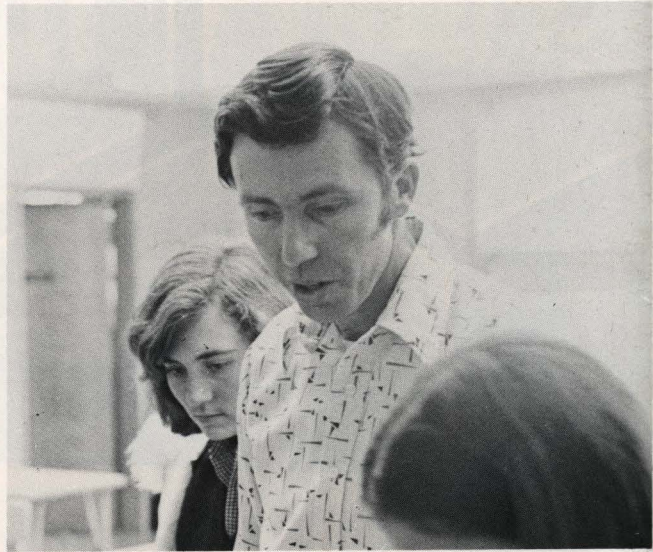

This year the Reflector is dedicated to Mr. Richard Brooks. Mr. Brooks, we believe that you serve Mattituck High School more than just an employee, and mean more to the student body than the word "teacher" implies. In the past you have run up and down soccer fields, as both JV coach and referee, dribbled down the courts with the JV Basketball teams, spiked volleyballs with the Volleyball teams, run laps with the Track teams, and tacked with the Sailing teams.

The class of '77 is not composed of Mattituck students and Cutchogue students, but a unified class, the first true Mattituck-Cutchogue USFD senior class. All those hours you donated planning paper and recycling drives funding the New Hampshire trip, encouraged us to work as one.

Not only have the students benefited from your time, but adults as well. You are the President of the Teachers Association and teach Adult Education.

We were unable to thank you privately for all you have done. We now wish to do so publically with this dedication.

Thank you, Mr. Richard Brooks  
Class of 1977

# MARY BURNS

Miss Mary Burns has served Mattituck High School for 42 years through various positions. In 1934, Miss Burns graduated from Mattituck High School when the building was less than one year old, and returned to MHS in 1935 as an employee. Because the school was so small, she was the only secretary under Principal Jacob Allart. In 1936, Miss Burns also became secretary for the Board of Education as well as secretary for the new Principal, Augustus Garelle.

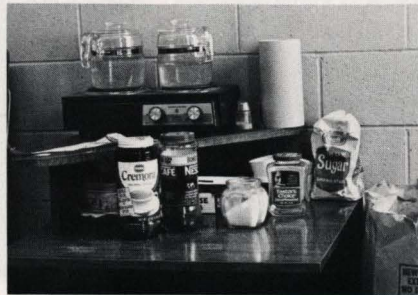

William Liebeknecht became principal in 1961. Miss Burns continued her dual secretarial role until 1968 when she was promoted to business manager.

Now with Mr. Burns, Mr. Brauner and Mr. Chick as principals, Miss Burns is both the District Treasurer and the Business Manager for the Mattituck-Cutchoogue School district. Thanks to her, and her many years of dedication to her work, our school is where it is today.
