

# REFLECTOR

1980

MATTITUCK – CUTCHOGUE UNION FREE SCHOOL DISTRICT  
MATTITUCK NEW YORK

# WE DEDICATE:

Of all the people we grow to care for in our high school career, this person will always be special to us as a warm friend, a demanding and innovative teacher, and an energetic supporter of student efforts.

She knows and practices the art of teaching. She laughs with us, listens, understands us and speaks her mind to us.

She makes extra time in her busy day for students, whether to give advice on colleges, or to put more pep into a pep rally. No one embodies Tucker spirit more than she, you always know she has been at a game by the confetti trail and noisemakers.

As they said of Susan B. Anthony, "men tell her she's out of her proper sphere . . . but if one-half of her sex possessed half of her intellectual culture, her self-reliance and independence of character, the world would be better for it."

It is to someone who will always have "advanced placement" in our hearts that we gratefully dedicate the 1980 Reflector:

Joyce O. Grattan.

O what a glory doth this world put on  
For them who, with a fervent heart, goes forth  
Under the bright and glorious sky,  
and looks On duties well performed, and days well spent! For  
them the wind, and the yellow leaves, Shall have a voice, and  
give them eloquent teachings.
