Yearbook Dedication

Mr. Freund

There is no task too large for Mr. Freund to handle, whether it's starting a new program at Mattituck High School, or teaching teenagers how to drive, he can handle it all. Mr. Freund is a teacher favorite among students, because of his obvious love and dedication to his job; Mr. Freund always finds a way to inform his students with useful information, while making it fun and different than any other class. We are especially grateful for Mr. Freund this year, as he has taken on the huge responsibility of becoming our senior class advisor, which for our class is no easy task. Yet again Mr. Freund never seemed to fail with anything we threw at him. Above all, Mr. Freund is a genuine person, aside from being a teacher Mr. Freund has become a mentor as well as a friend for the students at Mattituck High School. We sincerely appreciate all that Mr. Freund has done for the class of 2017 and we are excited to see what he does next! We truly could not have asked for a better class advisor than Mr. Freund. Thank you, from the class of 2017

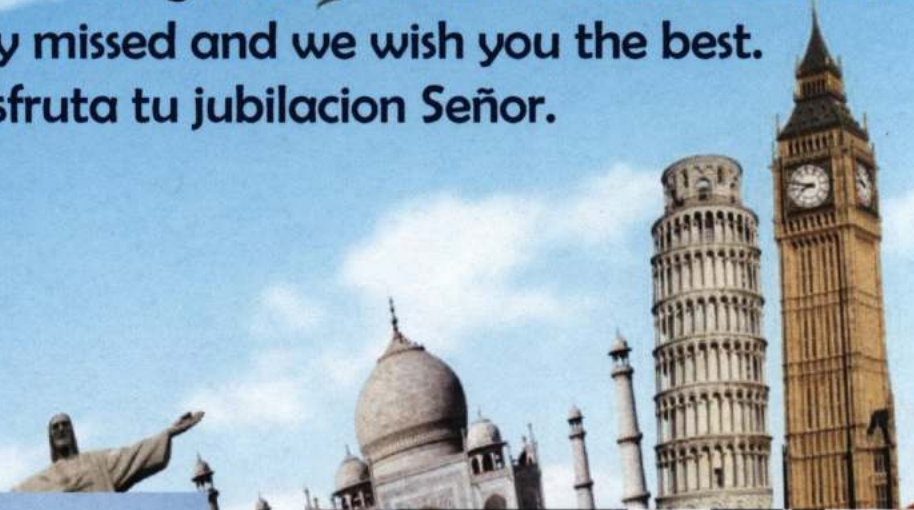

Retirement

Mr. Biedenkapp

Dear Mr. Biedenkapp, you have always been a huge part of Mattituck High School foreign language department and over your numerous years here, have left an impact on so many students. You have dedicated countless hours to helping your students understand multiple new languages, which will be a tool and asset to them for the rest of their lives. They will always have you to thank for that.

Your great sense of humor and ability to light up a room always made the simplest things in your class enjoyable, like learning how to conjugate jugar. You also continue your help with your students outside of your room like chaperoning the foreign language trip or just being there as a person of guidance when someone needs it. You will be sorely missed and we wish you the best.

Disfruta tu jubilacion Señor.

Retirement

Mrs. Mudd

Mrs. Mudd is one of the first faces students see when they enter the guidance office and her kind spirit and welcoming smile makes students comfortable when asking for help with working papers, transcripts, college and scholarship applications or just to make an appointment with their counselor. She is friendly, attentive and cares about each and every student that she meets.

Mrs. Mudd has been with Mattituck High School since 2003. As a lifelong North Fork resident her local knowledge and expertise has been invaluable to the staff and students of MHS. We will miss her greatly and wish her all the best in her retirement!

To the Class of 2017,

We were never known as the "good" class; early on, our reputation was established as rowdy troublemakers.

While we may never be known for following the rules or listening to guidelines, one thing can be said of us; we lived with passion. We had such a vitality for life in a town that's often described as a place where nothing happens, that we made it our own. We fervently lived out our high school careers, paired with a drive that led our class to succeed in whatever endeavors we chose.

The Class of 2017 is able to claim multiple state champions, in not one but three sports while excelling at a variety of others. We had varsity soccer and baseball members, as sophomores, win a state championship. We went on to be the first class to give way to two state wrestling champions. The girls cross country team clinched the county championship for five years straight, led by one of our very own classmates.

We were just as strong academically; so fierce was the competition among the intellectuals of our grade, despite all of us knowing who our valedictorian was going to be from the beginning. We are sending class members off to the top schools in the nation and have numerous class members who are courageously enlisting; but throughout all of this, we also know how to have a really good time.

So much so, that the police were called on us three times for the annual tradition of seniors decorating the night before our first day of senior year. When we finally succeeded, we were all given ISS for the day-- but that only allowed us to bond further. However unlucky we seemed at being allowed to partake in traditions, we made sure we continued it on our own. Nothing like a makeshift polar plunge to wake us up for dancing at a 90's themed semi-formal. The last class of nineties babies deserved nothing less.

Many things can be said about us, but not that we didn't have a thirst for life and all of its pleasures. We went after what we wanted, full force, with a fierceness that couldn't be extinguished by people who underestimated what we could achieve.

Maybe we won't be the "good" class. The rule followers. The ones who took the path predestined for us. But we challenged the norms and carved our own high school path with an unparalleled vigor.

As we go off into the world, our lives as adults begin. Scary and uncertain of the future, we embark on the rest of a lifelong journey. One thing is for certain, though; our passion, displayed throughout our whole high school career will continue to guide us.

Stay hungry. Stay foolish.

Dear, Jenny

Time passes inexorably and today you write a new chapter in the page of the book of your life. But the previous chapters were forever engraved in your mind and heart.

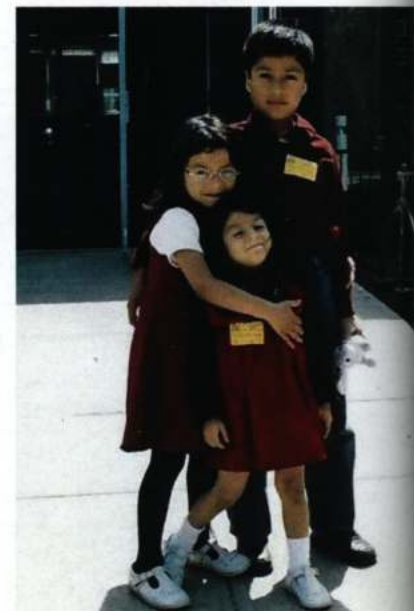

Congratulation on your MHS graduation Jen, words can barely express how proud we are of you. We thank God because he has blessed us with a daughter like you, a daughter with many diverse talents. We hope you reach your goals and accomplish all your dreams. We are very blessed because we have had the privilege to watch you blossom into a cute young lady, always remember how much we love you. It is very hard to believe that just last year your brother graduated and now it's your turn, which means it is time for you to go away. Leaving a bittersweet taste, but just remember how awesome and wonderful it is when we share time together. Apple of my eyes we love you, always keep in your heart our savior Jesus Christ. He will be the light that guides your journey.

Love

Mom, Dad, Jeff, Jacky and uncle

I know you will succeed with anything you take on in the future. You are my heart, my soul, and my life, and I love you more than you can possibly ever imagine!

Dear Ally,

You are a wonderful gift to every life you touch. We have enjoyed your laughter, your goofy faces and voices, and your thoughtful caring side. We have watched you struggle and succeed. Through this you have developed a great strength within you. This will sustain you for all that lies in front of you. You have a beautiful balance of strong ethics and tender caring. This allows you to stand for what is right while having compassion for others when they stumble. You reach out and offer a hand to others meeting them where they are.

There is so much ahead of you. I look forward to watching it all unfold. Wherever you go, I know you will stand for justice and truth. Whomever you are with you will provide an environment of acceptance where they can be valued for who they are. What ever you do with your time I think people will feel you gave a piece of yourself.

Love you Sweetie,
Mom and Dad

Carter,
